No.12011/08/2010-Estt. (AL)
Government of India
Ministry of Personnel, P.G. and Pensions
(Department of Personnel & Training)

New Delhi, the 30th December, 2010

Office Memorandum

Sub: Children Education Allowance Scheme - Clarification.

Subsequent to issue of this Department OM No. 12011/3 2008-Estt (Allowance) dated 02/09/2008 and clarificatory OMs dated 11/11/2008, 23/11/2009 and OM No. 12011/16/2009-(Allowance) dated 13/11/2009 on the Children Education Allowance (CEA) Scheme, this Department has been receiving references from various Departments, seeking further clarifications. The doubts raised are clarified as under:-

(i). Whether CEA is admissible to a Government Servant who ceases to be in service due to retirement, discharge, dismissal or removal from service in the course of an academic year?	CEA/hostel subsidy shall be admissible till the end of the academic year in which the Government Servant ceases to be in service due to retirement, discharge, dismissal or removal from service in the course of an academic year. The payment shall be made by the office in which the Govt. servant worked prior to these events and will be regulated by the other conditions laid down under CEA scheme
(ii). Whether Children of a Government servant who dies while in service are still eligible for reimbursement under the new CEA scheme?	If a Govt. servant dies while in service, the Children Education Allowance or hostel subsidy shall be admissible in respect of his/her children subject to observance of other conditions for its grant provided the wife/husband of the deceased is not employed in service of the Central Govt., State Government, Autonomous Body, PSU, Semi-Government Organization such as Municipality, Port Trust, Authority or

any other organization partly or fully funded by the Central Govt./State Governments. In such cases the CEA/Hostel Subsidy shall be payable to the children till such time the employee would have actually received the same, subject to the condition that other terms and conditions are fulfilled. The payment shall be made by the office in which the Govt. servant was working prior to his death and will be regulated by the other conditions laid down under CEA scheme

(iii) Whether any upper age limit of the children has been prescribed for claiming CEA? Whether CEA can be allowed in case of children studying through "Correspondence or Distance Learning"? If so the age limit prescribed for the same.

The upper age limit for disabled children has been set at the age of 22 years. In the case of other children the age limit will now be 20 years or till the time of passing 12th class which ever is earlier. Cases where reimbursement have been already made, in respect of children above this age may not be reopened. It has also been decided that CEA may henceforth be allowed in case of children studying through "Correspondence or Distance Learning" subject to other condition prescribed.

(iv) What is the definition of the terms 'two sets of uniform' which occur in para1(e) of our O.M. dated 2.9.08. What is the definition of 'one set of shoes'?

It is clarified that 'one set of shoes' would mean one pair of shoes and 'two sets of uniform' would mean two sets of uniform prescribed by the school in which the child is studying. A set of uniform will include all items of clothing prescribed for a day, as uniform by the school. Reimbursement may be allowed for two sets of such uniform irrespective of the colours /winter/ summer/ PT uniform.

(v) What is the definition of 'station' for the purpose of hostel subsidy?	It is clarified that for the purpose of hostel subsidy, station would be demarcated by the first three digits of the PIN Code of the area where the Government Servant is posted and/or residing'. The first three digits of the PIN Code indicate a Revenue District.
(vi) Whether fee paid to organizations/institutions other than the school or fee paid to private tutors for purposes mentioned in para 1(e) of the OM dated 2.9.2008 is reimbursable?	No. It is clarified that the term 'fee' contained in the para 1(e) of the OM dated 2.9.2008 would mean the fee charged by the school directly from the student.

Subject : Counting of period spent on Extraordinary Leave as qualifying service— Clarification regarding.

+++++

Attention of the zonal Railways etc is invited to clause (ii) of Rule 36 of Railway Services (Pension) Rules, 1993 which provides for counting the period of extraordinary leave granted to a Railway servant for prosecuting higher scientific or technical studies towards qualifying service for pensionary benefits.

2. In terms of Rule 14 of the Study Leave Rules under Annexure V of IREC Vol.I, 1985 Edition, the study leave availed by those Railway servants who resign or retire from service or otherwise quit service without returning to duty after a period of study leave or within a period of three years after such return to duty or who fail to complete the course of study and are thus unable to furnish the certificate as required in sub-rule (5) of Rule 4 of the Study Leave Rules ibid, shall be converted into regular leave standing at his credit on the date on which the study leave commenced, any regular leave taken in continuation of study leave being suitably adjusted for the purpose and the balance of the period of study leave, if any, which cannot be so converted, treated as extraordinary leave.

3. One of the zonal Railways raised a doubt regarding counting such extraordinary leave as qualifying service for pensionary benefits. The matter has been examined in consultation with the Department of Personnel & Training and it is clarified that study leave granted to a Railway servant, who fails to comply with the conditions on which study leave was granted to him, is converted into regular leave standing in his credit and the balance of study leave, if any, which cannot be so converted, due to deficiency in the leave account of the Railway servant, is converted into extraordinary leave. Extraordinary leave thus sanctioned is due to the reason that the Railway servant has no other leave admissible to him and not for the purpose of pursuing studies as such. Hence clause (ii) of Rule 36 of Railway Services (Pension) Rules, 1993 is not applicable in such cases. In other words, such of the period of extraordinary leave shall be counted as qualifying service for pensionary benefits.
