In terms of Board's letter of even number dated: 02.02.2006 (RBE No. 10/2006), Railways/PUUs were advised that instructions issued vide Board's letter No. E(NG)/93/PM2/8-A dated 10.1.92 and letter No. E(NG)-93/PM2/8 dated 1.10.99, regarding equivalence of grades of running staff with that of stationary staff for the purpose of promotion to the posts in stationary categories, where both running and stationary staff were eligible and were considered together, would be applicable for determining eligibility of the candidates for promotion to the respective Group 'B' posts.

Advance Correction Slip No. 116

The following amendments may be made to Rule 525, 526 and 551 of the Indian Railway Establishment Code, Volume-I, 1985 Edition (Reprint Edition - 2008):-

(b) In respect of any year in which a Railway servant avails a portion of the vacation, he shall be entitled to Leave on Average Pay in such proportion of 30 days, as the number of days of vacation not taken bears to the full vacation.

Provided that no such leave shall be admissible to a Railway servant not in permanent employ or quasi-permanent employ in respect of the first year of his service.

(c) If, in any year, the Railway servant does not avail any vacation, Leave on Average Pay shall be admissible to him in respect of that year under Rule 523.

**Explanation:** For the purpose of this rule, the term "year" shall be construed not as meaning a calendar year in which duty is performed but as meaning twelve months of actual duty in a Railway School.

**Note 1 -** A Railway servant entitled to vacation shall be considered to have availed a vacation or a portion of a vacation unless he has been required by general or special order of a higher authority to forego such vacation or portion of a vacation.

Provided that if he has been prevented by such order from enjoying more than fifteen days of the vacation, he shall be considered to have availed himself of no portion of the vacation.

Note 2 - When a Railway servant serving in a Railway school proceeds on leave before completing a full year of duty, the Leave on Average Pay admissible to him/her shall be calculated not with reference to the vacations which fall during the period of actual duty rendered before proceeding on leave but with reference to the vacation that falls during the year commencing from the date on which he completed the previous year of duty.

2. Vacation may be taken in combination with or in continuation of any kind of leave under these rules.

Provided that the total duration of vacation and Leave on Average Pay taken in conjunction, whether the Leave on Average Pay is taken in combination with or in continuation of other leave or not, shall not exceed the amount of Leave on Average Pay due and admissible to the Railway servant at a time under rule 523.

3. The Leave on Average Pay under this rule at the credit of a Railway servant at the close of the previous half year shall be carried forward to the next half year, subject to the condition that the leave so carried forward plus the credit for the half year shall not exceed the maximum limit of 300 days.

**Sub: Clarification regarding readiness for written examination/Trade Test.**

ECOR's Subject Serial No. EPS-15/2011

General Manager (Vigilance) has observed that the examinees of written examination held in the course of suitability test for promotion to a post belonging to non-safety category are intimated just before 06 days before the scheduled date of the examination. In some case it was just 03 days before the written examination. This indicates that there is no uniform policy is followed in East Coast Railway regarding time gap that has to be allowed to the candidate from the date of notice to the date of written examination.

The matter has been considered carefully and it has been decided by the competent authority that wherever written examination is held as a part of suitability test for non-selection post, minimum 21 days notice should be given before the date of written examination. This minimum period of 21 days should be counted from the date of issue of alert notice and not from the date of notifying the written examination date. Wherever alert notice of more than 21 days is given written examination may be held at short notice. Above time limit also applicable in respect of Trade Tests for artisan posts.

The above instructions should be followed from the date of issue of this letter. The cases where written test has not been held or Trade Test has not been held, they will be guided by the above instructions.

The matter regarding salary structure and admissibility of other allowances including NPA to DNB trainees has been examined in Board's Office in consultation with National Board of Examination under Ministry of Health & Family Welfare and Finance Directorate of Board's Office.

2. It is clarified that the decision to pay salary to the Junior Doctors (DNB Trainees) has been taken by the Government after due consideration of the fact that Junior Doctors of DNB Trainees are full fledged qualified doctors duly registered by Medical Council and entitled to practice medicine. They render full fledged service as doctors and are available in hospital round the clock. Along with this residency, they also work towards obtaining specialist/ super specialist qualification viz. DNB, MD, MS etc. Thus, the amount they receive is "salary" for rendering full service as doctor and not "stipend" for DNB Course.

3. Regarding admissibility of NPA to DNB trainees, it is clarified that since DNB trainees are qualified doctors practicing medicines, they are entitled to NPA and other allowances like other doctors in the Government of India/ Railways.

4. This issues in consultation with Finance (Est.) Directorate of Ministry of Railways.
