New Pension System

You may be aware that Government of India has started the New Pension System (NPS) in 2004. As a subscriber of NPS, you enjoy various facilities and rights including online access to your account, annual statement of transaction, portability across jobs and locations, platform to raise grievance etc.

Under NPS two types of accounts are available

Tier-I account:

Tier-II account:

Tier I account for employees joined service on or after January 1, 2004

All of you who have joined service in Railways on or after January 1, 2004, are mandatorily covered under NPS. Your monthly contribution towards pension is deducted from your salary. This, along with your employer's contribution is being invested in schemes of three PFMs as decided by PFRDA. These PFMs in return allot units which are credited in your Permanent Retirement account (PRAN) referred to as Tier I account. At present, at least 85% of your pension wealth is invested in debt instruments and up to 15% in equity and equity linked mutual funds.

Any subscriber in NPS having an active Tier I account has the option to open an investment and trading account referred to as 'Tier II account'.

TIER II Account

Tier II is a pension savings account, with a facility for withdrawal to meet financial contingencies.

Interfacing entity for Tier II account

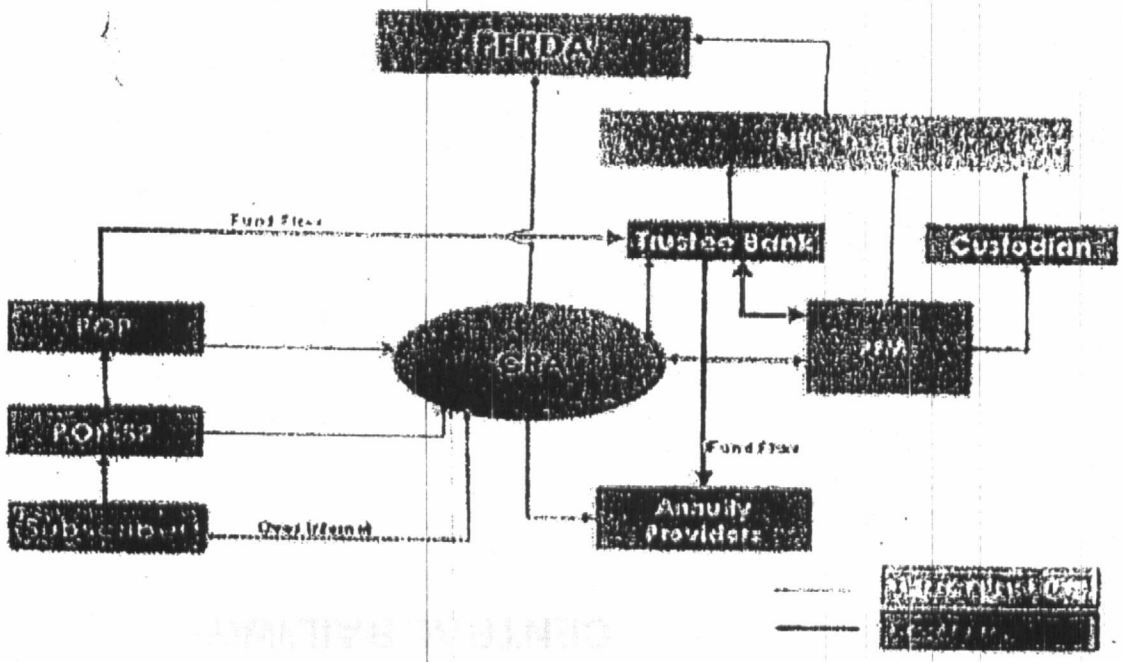

PFRDA has appointed various banks and financial institutes as Point of Presence - POP (similar to a PAO for your Tier I account). The registered branches of the POP are termed as Point of Presence Service Provider - POPSP (similar to a DDO for your Tier I account). The list of POPSPs and their contact details are available in CRA website www.npscra.nsdl.co.in. Once you submit your Tier II activation request to a POP-SP, it becomes your associated POP-SP. For any request related to Tier II account, you need to contact your associated POPSP. However, you can submit your request for contribution to any POPSP of any POP. At present there are more than 4000 POP-SPs located across the country.

Opening a Tier II account

Tier II account is a voluntary saving facility wherein the withdrawal is as per subscriber's choice. Any government employee who is mandatorily covered under NPS can activate the Tier II account by submitting duly filled form **UOS-S10** along with the copy of PRAN Card and initial contribution of ₹ 1000/- to any POP-SP.

NPS Architecture of Tier II account

Key features of Tier II account

- You can enjoy unlimited number of withdrawals depending upon your requirements. The only criteria is that you have to maintain a minimum balance of ₹. 2000 at the end of Financial Year i.e., as on March 31st
- Minimum amount for contribution is Rs. 250/- and minimum 4 contributions to be made in a financial year
- **Separate nomination details and scheme preference are possible for Tier II**
- Contributions can be made through any POP/POP-SP
- You can access your account details through internet and telephone using the same I-PIN and T-PIN received for Tier I account
- You can have a consolidated account statement for Tier I and Tier II
- For Tier II account, no additional CRA charges for annual account maintenance

Apart from these features, NPS offers you a choice of six fund managers as well as two approaches to invest in your account:-

Scheme Preference

NPS allows you to choose from any one of the following six entities to manage your pension funds:

- ICICI Prudential Pension Funds Management Company Limited
- IDFC Pension Fund Management Company Limited
- Kotak Mahindra Pension Fund Limited
- Reliance Capital Pension Fund Limited
- SBI Pension Funds Private Limited

The NPS offers you two approaches to invest in your account:-

- *Active choice - Individual Funds*
- *Auto choice - Lifecycle Fund*

Active choice - Individual Funds

You will have the option to actively decide as to how your NPS pension wealth is to be invested in the following three options:

E- "High return, High risk" – investments in predominantly equity market instruments

C- "Medium return, medium risk" – investments in predominantly fixed income bearing instruments

G- "Low return, Low risk" – investments in purely fixed income instruments.

You can choose to invest your entire pension wealth in C or G asset classes and up to a maximum of 50% in equity (Asset class E). You can also distribute your pension wealth across E, C and G asset classes, subject to such conditions as may be prescribed by PFRDA.

In case you decide to actively exercise your choice about investment options, you shall be required to mandatorily indicate your choice of Pension Fund from among the six Pension Funds appointed by PFRDA.

Auto choice - Lifecycle Fund

NPS offers an easy option for those participants who do not wish to specify the allocation for their NPS investments. In case you are unwilling to exercise any choice, your funds will be invested in accordance with the Auto Choice option. You will, however, be required to indicate your choice of PFM. In case you do not do so, your form shall not be accepted by the POP-SP.

In this option, the investments will be made in a life-cycle fund. Here, the percentage of funds invested across three asset classes will be determined by a pre-defined portfolio. At the lowest age of entry (18 years), the auto choice will entail investment of 50% of pension wealth in "E" Class, 30% in "C" Class and 20% in "G" Class. These ratios of investment will remain fixed for all contributions until the participant reaches the age of 36. From age 36 onwards, the weight in "E" and "C" asset class will decrease annually and the weight in "G" class will increase annually till it reaches 10% in "E", 10% in "C" and 80% in "G" class at age 55. The details of the asset allocation with respect to age is given in the table below.

Table for Lifecycle Fund

Age	Asset Class E	Asset Class C	Asset Class G
Up to 35 years	50%	30%	20%
36 years	48%	29%	23%
46 years	28%	16%	56%
47 years	26%	18%	56%

	Bank which will transfer the funds to your registered banks account provided by you during Tier II activation.
Change of Subscriber details	You can change nomination details and bank details by submitting a duly filled UoS- S2 form to the associated POP-SP.
Change of POP / POP-SP	You can change the associated POP-SP by either submitting a request to the POP-SP to whom the account is mapped or by submitting a request to the new POP-SP to whom you want the account to be associated with.
Change of Scheme Preference	You can switch from one option (PFMs, Investment approach and asset allocation) to another but such transaction can be made only once a financial year.

Charges for Tier II

The transaction charges of CRA as well as the POP charges are same as of Tier I Account as given below:

Intermediary	Charge head	Charges (Rs.)	Mode of recovery
CRA	A/C Opening Charge & AMC	Nil	Through cancellation of units on a quarterly basis.
	Charge Per transaction	6*	
POP (Maximum Permissible Charge for each Subscriber)	Charges for Tier II activation	20*	To be collected upfront
	Charge Per transaction	20*	

*plus applicable taxes

Employees joined before January 1, 2004

If you have joined service in Railways before January 1, 2004, you are not mandatorily covered under NPS. Nevertheless, you can join NPS on your own under "All Citizen of India." through any Point of Presence Service Provider (POP-SP). At the time of joining you can open only Tier-I a/c or both Tier-I & Tier-II account together. The features for your Tier-I account will differ from those who joined service on or after January 1, 2004. However all the features as mentioned above for Tier-II account will be available to you. For details of the features of your Tier-I account, please refer to the Offer Document for "All Citizen of India." on our website http://www.npscra.nsdl.co.in. The forms, list of POP-SPs and their contact details are also available in our website.
