In terms of Rule 1617 (1) & (2) of Chapter-16 of Indian Railway Establishment Code Volume-II, the daily allowance may be drawn during a halt on tour including holidays and Sundays occurring during the tour period, provided a railway servant is actually and not merely constructively in camp.

A railway servant who takes casual leave/restricted holiday on tour is not entitled to draw daily allowance for the period of such leave. A railway servant who takes casual leave for half a day while on tour may draw only half of the normal daily allowance for that day. A railway servant who avails outstation casual leave or holiday after performing outstation duty, should draw daily allowance in such a way that it should not exceed the normal Daily Allowance on duty had he not availed such leave at outstation.

If an officer avails LAP followed by duty out side his Headquarters, he has to avail his own Privilege Pass/PTOs for return journey to Headquarters. Duty pass may not be used for such journey, unless it is specifically permitted to do so under special circumstances.

Ref: CCM's office letter No.ECOR/CCM/Sett/JPO/Comm1, Debit clear/2012/1 dated 18.04.2012.

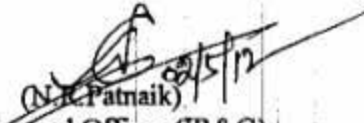

Please find enclosed herewith a copy of the Joint Procedure Order No.ECOR/CCM/Sett/JPO/Comm1, Debit clear/2012/1 dated 18.04.2012 regarding payment of DCRG of Commercial staff after superannuation from service

It is observed that payment of DCRG of Commercial staff after superannuation from service is getting delayed due to non-receipt of Commercial Debit clearance in time. Although, maximum time limit period for such clearance has been fixed as six months in terms of Board's letter No.F(E)III/PNI/1 dated 17.11.87, circulated under CPO Estt Srl.No.22/88, it is not being adhered to in many cases. Further, such delay not only creates hardship to the retiring employees but also leads to claim for payment of interest on delayed payment of DCRG due to administrative lapse. A number of court cases are also being filed on this issue. In order to streamline the existing system, the present JPO has been prepared.

To simplify the system and to overcome the difficulties, it has been decided that the procedure prescribed at Para 1-12 of Joint Procedure Order No.ECOR/CCM/Sett/JPO/Comm1, Debit clear/2012/1 dated 18.04.2012 be adopted on ECOR.

This is for your information/guidance and necessary action.

JOINT PROCEDURE ORDER OF COMMERCIAL, OPERATING, ACCOUNTS & PERSONNEL, ON COMMERCIAL DEBIT CLEARANCE OF RETIRING STAFF

It is observed that payment of DCRG of Commercial staff after superannuation from service is getting delayed due to non-receipt of Commercial Debit clearance in time. Although, maximum time limit period for such clearance has been fixed as six months in terms of Board's letter No. F(E)III/PNI/1 dated 17.11.87, circulated under CPO Estt Srl.No.22/88, it is not being adhered to in many cases. Further, such delay not only creates hardship to the retiring employees but also leads to claim for payment of interest on delayed payment of DCRG due to administrative lapse. A number of court cases are also being filed on this issue. In order to streamline the existing system, the present JPO has been prepared.

The difficulties faced in giving commercial debit clearance are due to the following:

- i) Late submission of returns by Commercial authorities to TAO causing delay in submission of commercial debit clearance by the ~~later~~.
- ii) Late compilation of stations accounts, resulting in late submission of Commercial debit clearance by TIA.

To simplify the system and to overcome the difficulties, it has been decided that the following procedure be adopted on ECoR.

1. A joint committee consisting of officers from Commercial, Operating, Accounts & Personnel both at Divisional and Headquarters level be formed to keep a watch on the issue. The HQs' Committee shall get the information from the Divisional Committee as may be required.
2. i) All efforts should be made to avoid utilizing staff at sensitive/cash handling posts where they are likely to incur debits within the preceding six months of their respective retirements (superannuation).
ii) The handing over and taking over of charge of the staff concerned (due to retire) should be done at least before one month on transfer from the sensitive seat before his retirement and got verified and certified by the sectional TIA.
3. YEARLY LIST of the retiring staff likely to incur liability on account of commercial debit should be published by the Personnel Dept. two years in advance and a copy of the same should be sent to Dy.FA&CAO(T)/BBS and to the concerned Sr.DCM/DCM/Sr.DOM/DOM as well as to the joint committee. At least 6 months in advance of the date of retirement, the details of the stations and posts held by the retiring employee should be circulated to the concerned unit/station from where the debit clearance is sought.
4. Commercial and Operating Department will have to keep a strict watch over the timely compilation and submission of the commercial returns of the stations where such staff is working.

- 5 Traffic accounts office will fix the inspection programme of the concerned TIA so that he can submit the clearance certificate on completion of the periodical inspection covering the period worked by the retiring employees.
- 6 Regular issue of AIC incorporating all unaccounted for error sheets by traffic accounts office to the Commercial Departments to ensure timely accountal of such error sheets.
- 7 It would be incumbent on the supervisory staff at stations to conduct supervisory check meticulously in respect of the staff likely to retire so as to avoid under charges and also to ensure that the connected returns vouchers are submitted to the Traffic Accounts office complete in all respects and rigidly as per time schedule laid down. Any inquiry or reference by Accounts office about deficiency in the return or seeking any clarifications should be replied to immediately. Amount should be recovered from the staff concerned if any undercharges are detected in TA Office subsequently.
- 8 Based on the clearance given by the TIA/ Traffic Accounts office, the Sr.DCM /DCM Sr.DOM/DOM concerned should immediately advise the Sr.DPO/ DPO concerned to recover/ adjust the amount finally assessed for recovery from the retired employees. While doing so, all pending disputed debits should be settled finally.
- 9 The joint Committee should ensure that all the above clauses are followed strictly and commercial debit is cleared within 3 months of the retirement of staff concerned.
- 10 In exceptional cases, where the case couldn't be finalized within 3 months of retirement, entire DCRG should not be retained by the administration. An amount assessed relating to other unsettled debits should be withheld and arrangement for part payment of DCRG should be made. The administration will retain this assessed amount till final debit is received which shall be adjusted and the balance amount released to the retired employee.
- 11 The TIA of the unit should take special initiative to complete checking of records and accounts of the staff, due to be retired as per the list published by the Personnel Deptt, as soon as received by them from TA office.
- 12 The concerned staff (employee) retiring should also render all help and extend co-operation in this regard, otherwise they may also be responsible for the delay.

In each case, the finalization of commercial debit should be completed without any delay, so that final DCRG is paid within stipulated time of six months after the retirement, subject to fulfillment of all other conditions as per the extant rules.

The mortality rate under the Scheme has been taken as 3.75 per thousand per annum up to 31.12.1987 and 3.60 per thousand per annum thereafter in both the cases. While calculating the amount it has been assumed that the subscription has been recovered or will be recovered from the salary of the month in which a member ceases to be in service failing which it should be deducted from accumulated amounts payable.

11-11-03

The undersigned is directed to say that the Government have decided to introduce a New Pension Scheme based on defined contributions for new entrants recruited in Central Government service on or after 1.1.2004. The existing pension scheme will not, therefore, be applicable to such employees.

2 A Resolution has already been issued vide letter No.5(7)/2003-ECB & PR, on 10th October, 2003 to operationalise the decision of the Government to introduce a new pension scheme based on defined contributions. An interim Pension Fund Regulatory And Development Authority (PFRDA) is also being constituted

3 In line with this decision, it has been further decided that new entrants in all Autonomous Bodies under various Central Ministries/Departments recruited on or after 1.1.2004 will also be governed by the new scheme and not by the existing pension scheme in these organizations.

4 It is accordingly requested that all Autonomous Bodies/PSUs under the administrative control of your Ministry/Department may be suitably informed so that they can take up the matter with Department of Economic Affairs (ECB & Pension Reforms Division) who are administratively concerned with formulation, processing and operationalisation of the new pension scheme, for detailed information in this regard.

OFFICE MEMORANDUM

Subject: Applicability of new pension scheme to the employees of autonomous bodies/PSUs under the administrative control of different Central Ministries/Departments.

The undersigned is directed to refer to this Department's OM No 1(13)/EV/2001, dated 13th November, 2003, on the subject mentioned above

Over the past few months, this Department has been receiving letters directly from autonomous institutions/PSUs seeking clarifications regarding the date of implementation of the new pension scheme and its applicability to the new entrants joining autonomous bodies/PSUs. The desired clarifications have been considered in consultation with Department of Economic Affairs, Ministry of Finance and Department of Pension & Pensioners' Welfare.

It is clarified that irrespective of any factor, the applicability of existing pension scheme or new pension scheme to the new entrants will be determined solely with reference to the date of their joining. Accordingly, all persons joining any autonomous body/PSU under the administrative control of different Ministries/Departments on or after 1.1.2004 will compulsorily be covered by the new pension scheme with the GPF-cum-pension scheme being limited to employees who had joined before 1.1.2004. This will also hold good for all new entrants in the Central Government.

(RAILWAY BOARD)

RBE No. 59/2012

New Delhi, Dt. 01.05.2012

No.E(NG)II/2006/RC-2/11 Pt.IV

The General Managers(P)
All Indian Railways/PUs
Chairman RRBs

Sub: Recruitment against Physically Handicapped Quota-launch of Special
Recruitment Drive - regarding

Attention is invited to Board's letters No.E(NG)II/2009/RC-2/5 List dated 27.8.09 and No. E(NG)II/2009/RC-2/7 dated 28.8.09 regarding filling up of vacancies in various categories against the Physically Handicapped Quota. Pursuant to Hon'ble High Court Delhi's judgement in the Public Interest Litigation filed by All India Confederation of the Blind in WP (C) No.23132/2005, the matter has been deliberated by Board. Accordingly it has been decided to implement the Hon'ble Court's orders directing Railways to complete recruitment of physically handicapped persons in all categories of Group 'C' and erstwhile Group 'D' in six months time.

2. As per affidavit filed by the Board in the Hon'ble High Court of Delhi, a backlog of 2377 Group 'C' and 1811 Group 'D' posts was shown for the period 1.1.96 to 31.10.2008 on the basis of position received from the Railways (Annexure-I). CPOs were directed to place indents on the RRB/RRC for this backlog except for the categories in which exemption was being sought for and therefore, 3% vacancies in such categories were required to be kept vacant. However, the request of Railways for exemption from reservation for physically handicapped persons in certain categories has been turned down by the Ministry of Social Justice and Empowerment and the Hon'ble High Court has directed that these posts should also be filled up.

3. In order to adhere to the time schedule laid down by the Hon'ble High Court without inviting contempt, the Special Recruitment Drive to fill backlog vacancies in **all such posts identified in Board's letter dated 28.8.09 including the 3% kept vacant**, has to be completed within a period of six months from the date of communication of orders, which expires in September, 2012.

4. Since no exemption has been given in the categories for which exemption was being sought for, all categories as identified in para 2 of Board's letter dated 28.8.09, where 3% was to be kept vacant, are now required to be filled up. Accordingly, following steps may immediately be taken.

4.1 In case of erstwhile Group D categories:

a) Recruitment of backlog as well as current vacancies in erstwhile Group 'D' category is already being carried out by RRBs. Revision of vacancies notified vide recruitment advertisements issued in Dec 2010-Jan 2011 to the extent of including vacancies left out, if any, inadvertently, and increasing vacancies already notified;

b) In case of ongoing erstwhile Group D recruitment, exams are scheduled in May-June 2012. Since Physically Handicapped candidates are exempt from Physical Efficiency Test, as soon as the results of written examinations are available, provisional part panel of Physically Handicapped candidates should be formed. It may clearly be stated in the offer of appointment that this is being done in order to adhere to the time schedule as per Hon'ble Court's directions and final merit position as well as seniority will be determined on the basis of position in the final panel as and when it is issued. It must be ensured that this exercise is completed by September, 2012.

4.2 In case of Group C categories

It is presumed that indents have been placed for clearing respective backlog as per directions contained in Board's letter of 28.8.09. It may be ascertained from RRBs concerned whether indents for Physically Handicapped persons placed on them has been notified or not. For all vacancies not notified yet by RRBs, the indents be taken back by the Zonal Railways/PUs and also, the 3% posts kept vacant in categories mentioned in para 2 of Board's letter dated 28.8.09, may be covered in this recruitment exercise. Vacancies assessed thus will have to be notified by the Zonal Railways/PUs as a "Special Recruitment Drive"(SRD) for physically handicapped persons to be conducted by Railways/PUs as a one-time measure. In future, indents will be placed on RRBs as per normal practice.

5. Procedure and logistics will be determined by General Manager keeping in mind the need to ensure a fair and transparent recruitment.

6. The exercise has to be completed by September, 2012, hence evolving of procedural details and strict monitoring be carried out at appropriate levels to ensure the prescribed time limit is adhered to. Board may be informed at the following stages

- (i) issue of notification
- (ii) fixing of date of selection
- (iii) issue of panel.

7. SRD for Physically Handicapped Persons will be carried out only in respect of Group 'C' categories. For erstwhile Group 'D' categories, procedure as at para 4.1 above will be carried out.

8. RRB and RRC will not carry out this SRD. Special arrangements will have to be made by the Zonal Railways/PUs to conduct this recruitment.

3

9. Henceforth, in all recruitment exercises, reservation of 3% against Physically Handicapped Quota will be computed as laid down in Board's letter of 27.8.09 as per statutory obligation.

Sub: Introduction of Single Window System (SWS) for reimbursement of
Railway Pensions.

The implementation of Single Window System for reimbursement of
Railway pensions disbursed through State Bank of India was under
consideration in Board's office for some time due to the following
advantages.

Advantages to the Zonal Railway: -

- The designated Railways need to interact only with the nominated Nodal Branch for both submission of PPOs and receipt of pension scrolls.
- PPOs to be sent directly to the nodal branches instead of various Link branches, which shall ensure timely dispatch thereof to the Central Pension Processing Cell (CPPC) to ensure commencement of pension payment from the month following which the pensioner retires.
- Due to quick submission of monthly pension scroll in both physical form and electronic form, better monitoring and reconciliation process of the pension debits resulting in more accuracy in the projection of pension budget.
- Better monitoring of grievances and redressal thereof.

Advantages to the Pensioner: -

- The pension commences from the following month in which the pensioner retires
- The pension is credited to the pensioner's account every month on time.
- Minimize errors in amount of pension, arrears is calculated and paid.
- The grievances redressal system would become more effective.

Controller General of Accounts (CGA) and Reserve Bank of India (RBI) have since approved the implementation of SWS with State Bank of India and it has been decided to implement the same w.e.f. 01.07.2012. The main features of the existing system vis a vis SWS are as under:

Present System: -

- FA&CAOs of all zonal railways and production units are authorized to issue PPOs (Annexure 1). FA&CAOs draw the PPOs against the bank opted by the pensioners and send the same to the nominated Link branch of that bank directly which further forwards the same to the Paying Branch concerned.
- The paying Branch takes the PPO on their record and thereafter credits the pension amount monthly in the pensioner's account and sends scroll to the Link Branch.
- The Bank's Link Branches compile the scrolls of all paying branches under them and sends the same to the designated FA&CAOs (Annexure 2)
- Simultaneously, Link branch also submits the claim for the reimbursement of pension payment to the designated nominated reimbursing agency i.e. nominated RBI /SBI Branch.
- The Reimbursing Branch claims the reimbursement from RBI, CAS.
- RBI/CAS/Nagpur credits the account of the reimbursing bank and debits the account of respective designated Railway.

Single Window System:-

- FA&CAO of all Zonal Railways / Production Units shall continue to be authorized for issue of PPOs (Annexure 1).
- State Bank of India has nominated 10 CPPCs and 6 non-CPPC branches as their nodal branches at the Headquarter of the 16 designated FA&CAOs both for receiving of the PPOs and submission of pension debit scrolls to the FA&CAOs. Copies of the special seal together with specimen signatures of the authorized signatories should be sent to the nominated nodal branches. Non CPPC branches nominated as nodal branches shall forward the PPOs to their respective CPPC branches. CPPCs of bank will facilitate verification of PPOs (Annexure 3).
- In case of new pension, both halves of PPOs (i.e. disburser's and pensioner's) sent by PPAs (Pension Paying Authority) will be received at the Nodal branches nominated by the Banks as per Annexure 3. The nodal branch will send the pensioners' half to the respective Pension Paying Branches for onward delivery to the pensioners after due identification etc.
- Where the CPPC is nominated as nodal branch, the nodal branch will keep the Bank's half portion of the PPO with itself and send the Bank's half to the concerned CPPC branch of the Bank, in other cases.
- The images of the Pension Payment Order (PPOs) will be scanned and stored in the master database by CPPC, which will be visible to the Pension Paying branch also.
- CPPC would build up a master database (Including scanned images of PPOs) for the existing valid Railway Pensioners of all the branches of Bank.

- To ensure commencement of pension payment timely, the PPOs issued in a month by the Railways/PUs shall reach the nominated Nodal Branch of the Bank by 5th of the ensuing month. The Nodal Branch shall forward the disburser's (bank) copy to the CPPC of the Bank and pensioner's copy to the Paying Branch by 10th of the month. The CPPC shall carry on the necessary scanning and other procedural activities so that payment of pension commences from the following month in which the pensioner retires.
- The paying branch will intimate the pensioner, immediately, on the receipt of pensioner's half so that pensioner fulfils the necessary formalities with them and then advise CPPC in this regard so that pension is credited in the pension account invariably by the end of the month.
- Changes / modifications in the Pensioner's Data/Pension Scroll will take place at CPPC of the Bank. Pension will be processed at CPPC and scrolls will be generated.
- Based on the generated Scroll, CPPC will credit the pension to the pensioners' accounts of all the CBS branches. For non CBS branches, CPPC will send the Pension Scroll to Pension Paying Branches for doing the needful at their end.
- CPPCs will send the pension debit scroll 'designated FA&CAO wise' and claim alongwith the summary sheet under Single Window System (SWS) through their Link Cell Nagpur from RBI CAS Nagpur for reimbursement at Single Point.
- The nominated Nodal Branches at the Headquarter of the 16 designated FA&CAOs will be the point of local liaison and submission of Pension Scroll. Nominated CPPCs branches will prepare the pension debit scrolls and send it to their respective FA&CAO of Railway for reconciliation and record. In case of non-CPPC branches nominated as nodal branches, the concerned CPPC branches of SBI will prepare the pension debit scrolls and send it to their nodal branches which in turn will submit the pension debit scrolls in both physical form and electronic form to their respective FA&CAO of Railway for reconciliation and record (Annexure 4).
- The CPPC will also create a dashboard that can be viewed by the all the PPO issuing FA&CAOs and the Railway Board indicating the details of PPOs received in a month by their bank and the month of commencement of the pension of the pensioners along with the remarks for non-commencement of pension.
- The details of the pension payment viz Basic Pension, DA, Net Amount etc should be accessible/viewable by the pensioner online
- CPPC will calculate pension and arrears, if any, as per the guidelines of Pension Paying Authority. The details of pension calculation will be available on the Bank's network and the Pension Paying Branches will hand over a copy of the printout to the pensioner. This information should also be available online to the pensioners
- The Bank shall provide an online pension helpline wherein the pensioners can view their pension details, lodge complaints related to pension payment and the same will also be viewable to the FA&CAOs

office concerned. The CPPC will have a sound grievance redressal mechanism /monitoring cell to track the pensioner's grievances lodged in the pension helpline or otherwise forwarded by Pension Paying Branches, Ministry, Authority or by directly by the pensioner.

- The PPOs against banks not covered under SWS would continue to be sent to their existing Link branches till they are covered under SWS.

Further, the following instructions would be adhered to by the bank:

- There would be a running serial number on the paying branch scroll. It should be ensured that no scroll number is repeated or left out.
- The same check would be done on Nodal Branch Summary Scroll.
- At the pension accounting authority all amount booked against duplicate scroll numbers would be checked and the RBI would be asked to put back these amounts to the Government accounts.
- The entire process from the start of payment of pension to reimbursement at RBI, CAS, Nagpur will be handled by the concerned bank itself.
- The Nodal branches will be responsible for reconciliation with the Railways and for settling discrepancies.
- As a onetime exercise authorized banks will send the nodal branch wise, paying branch directory structure with complete postal address, pin code, BSR code for proper and prompt settlement and reconciliation.

Railways/Units may ensure implementation of this scheme with State Bank of India w.e.f. 01.07.2012. The scheme will be extended to other banks as and when they finalise the modalities and the approval of CGA and RBI is obtained. The feedback on the implementation of the scheme may be provided to Board's office.

- The designated Railways need to interact only with the nominated Nodal Branch for both submission of PPOs and receipt of pension scrolls.
- PPOs to be sent directly to the nominated Nodal Branch instead of the various Link branches, which shall ensure timely dispatch thereof to their Central Pension Processing Cell (CPPC) to ensure commencement of pension payment from the month following which the pensioner retires.
- Due to quick submission of monthly pension scroll in both physical form and electronic form, better monitoring and reconciliation process of the pension debits resulting in more accuracy in the projection of pension budget.
- Better monitoring of grievances and redressal thereof.

Advantages to the Pensioner: -

- o The pension commences from the following month in which the pensioner retires
- o The pension is credited to the pensioner's account every month on time.
- o Minimize errors in amount of pension, arrears is calculated and paid.
- o The grievances redressal system would become more effective.

Controller General of Accounts (CGA) and Reserve Bank of India (RBI) have since approved the implementation of SWS with Dena Bank. It has been decided to implement the scheme w.e.f. 01.07.2012. The main features of the existing system vis a vis SWS are as under:

Present System: -

- FA&CAOs of all zonal railways and production units are authorized to issue PPOs (Annexure 1). FA&CAOs draw the PPOs against the bank opted by the pensioners and send the same to the nominated Link branch of that bank directly which further forwards the same to the Paying Branch concerned.
- The paying Branch takes the PPO on their record and thereafter credits the pension amount monthly in the pensioner's account and sends scroll to the Link Branch.
- The Bank's Link Branches compile the scrolls of all paying branches under them and sends the same to the designated FA&CAOs (Annexure 2).
- Simultaneously, Link branch also submits the claim for the reimbursement of pension payment to the designated nominated reimbursing agency i.e. nominated RBI /SBI Branch.
- The Reimbursing Branch claims the reimbursement from RBI, CAS.
- RBI/CAS/Nagpur credits the account of the reimbursing bank and debits the account of respective designated Railway.

Single Window System:-

- FA&CAO of all Zonal Railways / Production Units shall continue to be authorized for issue of PPOs (Annexure 1).
- Dena banks has nominated their nodal branches at the Headquarter of the 16 designated FA&CAOs both for receiving of the PPOs and submission of pension debit scrolls to the FA&CAOs. Copies of the special seal together with specimen signatures of the authorized signatories should be sent to the Nodal Branches for onward transmission to CPPC, to facilitate verification thereof by Bank.
- In case of new pension, both halves of PPOs (i.e. disburser's and pensioner's) sent by PPAs (Pension Paying Authority) will be received at the Nodal branches nominated by the Bank (Annexure 3) and subsequently they will send the pensioners' half to the respective Pension Paying Branch for onward delivery to the pensioners after due identification etc. and the Bank's half to the CPPC of the Bank.
- The images of the Pension Payment Order (PPOs) will be scanned and stored in the master database by CPPC, which will be visible to the Pension Paying branch also.
- CPPC would build up a master database (including scanned images of PPOs) for the existing valid Railway Pensioners of all the branches of Bank.
- The PPOs issued in a month by the Railways/PUs has to reach the nominated Nodal Branch of the Bank by 5th of the ensuing month. The Nodal Branch will thereafter forward the disburser's copy to the CPPC of the Bank and the pensioner's copy to the Paying Branch by 10th of the month. Thereafter, the CPPC will carry on the necessary scanning and other procedures so that payment of pension is ready to commence from the following month in which the pensioner retires. The

- paying branch will intimate the pensioner, immediately, on the receipt of pensioner's half so that pensioner fulfils the necessary formalities with them and then advise CPPC in this regard so that pension is credited in the pension account invariably by the end of the month.
- Changes / modifications in the Pensioner's Data/Pension Scroll will take place at CPPC of the Bank. Pension will be processed at CPPC and scrolls will be generated.
 - Based on the generated Scroll, CPPC will credit the pension to the pensioners' accounts of all the CBS branches. For non CBS branches, CPPC will send the Pension Scroll to Pension Paying Branches for doing the needful at their end.
 - CPPC will send the designated FA&CAO wise scroll and claim alongwith the summary sheet under Single Window System (SWS) through Link Cell Nagpur, to RBI CAS Nagpur for reimbursement at Single Point.
 - The nominated Nodal Branches at the Headquarter of the 16 designated FA&CAOs will be the point of local liaison and submission of Pension Scroll. The designated FA&CAO wise electronic Scroll will be sent to respective Nodal Branches by CPPC. The Nodal Branches will submit the pension debit scrolls in both physical form and electronic form to their respective FA&CAO of Railway for reconciliation and record (Annexure 4).
 - The CPPC will also create a dashboard that can be viewed by the all the PPO issuing FA&CAOs and the Railway Board indicating the details of PPOs received in a month by their bank and the month of commencement of the pension of the pensioners along with the remarks for non-commencement of pension.
 - The details of the pension payment viz Basic Pension, DA, Net Amount etc should be accessible/viewable by the pensioner online
 - CPPC will calculate pension and arrears, if any, as per the guidelines of Pension Paying Authority. The details of pension calculation will be available on the Bank's network and the Pension Paying Branches will hand over a copy of the printout to the pensioner. This information should also be available online to the pensioners
 - The Bank shall provide an online pension helpline wherein the pensioners can view their pension details, lodge complaints related to pension payment and the same will also be viewable to the FA&CAOs office concerned. The CPPC will have a sound grievance redressal mechanism /monitoring cell to track the pensioner's grievances lodged in the pension helpline or otherwise forwarded by Pension Paying Branches, Ministry, Authority or by directly by the pensioner.
 - The PPOs against other banks would continue to be sent to their existing Link branches till they are covered under SWS.

Further, the following instructions would be adhered to by the bank

- There would be a running serial number on the paying branch scroll. It should be ensured that no scroll number is repeated or left out.
- The same check would be done on Nodal Branch Summary Scroll.

- At the pension accounting authority all amount booked against duplicate scroll numbers would be checked and the RBI would be asked to put back these amounts to the Government accounts.
- The entire process from the start of payment of pension to reimbursement at RBI, CAS, Nagpur will be handled by the concerned bank itself.
- The Nodal branches will be responsible for reconciliation with the Railways and for settling discrepancies.
- As a onetime exercise authorized banks will send the nodal branch wise, paying branch directory structure with complete postal address, pin code, BSR code for proper and prompt settlement and reconciliation.

The Railways/Units may ensure implementation of the scheme with Dena Bank w.e.f. 01.07.2012. The scheme will be extended to other banks as and when they finalise the modalities and the approval of CGA and RBI is obtained. The feedback on the implementation of the scheme may be provided to Board's office.

DA: As above.
