Ref.: Board's letters No. 2003/H/28/1/RELHS dated 28.01.05, 21.10.05, 30.12.05, 10.05.06, 10.01.07 & 16.03.09.

Arising out of demands raised by Federations & various Pensioner Associations, the subject matter of facilitating Railway Medical Services to all Retired Railway personnel through RELHS 97, had been under consideration of Board for some time. After careful & detailed examination of the matter the following has been decided by Ministry of Railways -

- (a) For Pre-March 2009 retirees - The RELHS-97 will remain open-ended with a lock-in period of six months for referral outside the Railway Hospital with the rider that this lock-in-period can be relaxed only in an emergency provided the patient is either admitted & visits the Railway Hospital and the facilities for the treatment are not available in Railway Hospital. Such referrals are to be processed only on recommendation of a specially constituted Medical Board.
- (b) For March 2009 and onwards retirees - The RELHS-97 will remain open for a period of another one year from the date of issue of the letter for all those retired railway personnel who have not joined the scheme for one reason or the other. The lock-in-period of six months as applicable for pre-March, 2009 retirees shall be applicable for these retirees also. Henceforth joining RELHS-97 has been made mandatory for all retiring Railway personnel without any exit clause whatsoever.

All other terms and conditions of RELHS-97 mentioned in Board's letter dated 16.03.200 under reference will remain unaltered.

This has the approval of the President and issues with the concurrence of Finance Directorate of Ministry of Railways. Wide publicity should be given to the above provisions.

Sub: Verification of documents for providing jobs to fresh face in Group - 'D'

ECoR's Subject Serial No. **RECT – 28/2012**

As per the present practice in this Railway, verification of Matriculation Certificate, Degree, Diploma, etc are being done after writing to the concerned University or Board to ascertain the genuineness of the certificate of the Matriculation, Degree or Diploma. This practice takes a very long time. A number of cases has come to the notice of the Railway Administration where for engagement of a B/Peon after four months the Board of Secondary Education has not replied to our query. This is causing unnecessary delay. The following procedures are to be followed in future to cut short the delay for verification of documents in supersession of all earlier instructions.

1. Where the candidate is below Matriculation and does not possess a certificate from the recognized Board approved by the concerned State or Central Govt, a PI/WI or a staff should be deputed to the concerned school to verify the genuineness about the Date of Birth and other details from the admission register. Only after ascertaining genuineness of such certificates, the case should be processed.
2. Where the candidate has passed Matriculation and a certificate has been issued by a Govt. approved Board/University, etc, in such cases for verification of such certificates, degree, etc, a PI/WI or a staff should be deputed to the concerned school or college where he had last attended. From the Principal/Headmaster, etc, it should be ascertained whether the candidate has actually appeared the Matriculation examination/University examination from the said school or Degree/Diploma from the said college.
3. If, after following Item 2 above, there still remains some doubt about the genuineness of Certificate/Degree, in such cases only the copy of the Certificate or Degree/Diploma should be sent to the concerned Board or University for verification.

...P/2

4. In case of engagement of B/Peon, while the Matriculation Certificate or equivalent certificate should be checked from the concerned School from where he had appeared the examination, the genuineness of the certificate should also be certified from the concerned officer who has recommended the case of that candidate for such engagement
5. The above practice should come into force with immediate effect. All such cases which are pending in various Boards/Universities should be withdrawn and fresh investigation/verification should be done on the above guidelines. The purpose of such verification is to ascertain genuineness of the certificate, degree or diploma and not to harass the candidate or procrastinate the case.
6. Candidates submitting false and forged certificate should be taken up appropriately by filing FIR against them under various sections of IPC with the local police, besides blacklisting such candidates for further jobs in the Railway for which a separate register should be maintained. Be it known that, giving false declaration before a govt official, submitting false or forged certificate, cheating etc. are crime under various sections of Indian Penal Code. Normally no leniency should be shown to such candidates, as such frauds hinder normal administrative process.

This issues with the approval of Chief Personnel Officer/East Coast Railway.
