2. If M/s VAL does not place any indents, these wagons will remain idle in their premises. If E.Co.Railway/Indian Railways has to stable these rakes in railways owned yards at the request of M/s VAL or otherwise, stabling charges will be payable to Railway as per the rates fixed by Railway Board from time to time. Normally, no demurrage charge will be levied when the detention to the wagons takes place in the Investor's own premises. If the wagons are stabled in the Railway's premises on account of default attributed to the Investor, stabling charges as prescribed by the Railways from time to time shall be paid by the Investor to the Railways.
3. 15% (fifteen percentage) freight concession will be granted for a period of 20(twenty) years for each loading of the subject rakes of SPW procured under LWIS operating between existing or new private terminal capable of handling the traffic in such Special Purpose Wagons in an approved closed circuits. The concession will be given in the RR itself. The above mentioned freight concession will be granted in each case on the Base Freight rate prevailing at the time of issue of this commercial notification for the said wagons i.e, dt.30.04.2013, which is **Rs. 494.60 Per ton Ex MVAA to MAVB , Rs.869.80 Per ton Ex.MGPV to MAVB, Rs.869.80 Ex VPT to MAVB and Rs.1073.30 Ex KSLK to MAVB or Base freight rate applicable at the time of booking, during the currency of the concession period of 20 years, whichever is lower.**

4. The freight concession will be granted only on the wagons specified at Annexure-I and the period of concession shall remain valid for 20 years i.e. up to 29.04.2033.
- a. Freight concession for loading points i) M/s VAL's siding at Ambodala (MVAA) ii) M/s Gangavaram Port Ltd (MGPV) & iii) Vishakhapatnam Port (VPT) will be granted from the date of issue of this commercial notification.
- b. ** Freight concession for loading point Kakinada Sea Port Limited (KSLK) will be granted from the date of commercial notification issued by CCM/SCR in this regard.
5. No freight will be charged for movement of empty rake to the next destination provided the distance traveled by empty rake is less or equal to the distance traveled by the train before unloading. However, if the distance traveled by empty rake is more than the loaded distance then for additional distance traveled by empty rake over and above the loaded distance, empty freight rate shall be charged at 50% of loaded freight of public tariff on carrying capacity of the wagons. Whenever empty haulage is required for maintenance/POH or for any other reasons, empty haulage charges will be payable by the Investor at the prescribed tariff rates.
6. Maintenance of wagons will be undertaken by Indian Railway on payment as per the agreement. The cost of maintenance of these wagons will be borne by the customer till the period of rebate in freight is given i.e, for 20 years from the date of commencement of service.
7. Various details of this traffic like number of trips, total freight, rebate etc. should be maintained at the respective loading and unloading points and furnished to divisional head quarters duly signed by CGS or SM of the respective stations. The said monthly statement should be furnished by Sr.DCM of respective divisions to CCM/ECOR/BBS for appraisal.
8. This notification is valid for only One rake comprising any of the 53 BTAP wagons and 01 brake van mentioned at Annexure-I.
