No. PC-III/2013/CRC/4

New Delhi,

RBE No. 102/2013
dated 08-10-2013

The General Managers/ Director General,
All Indian Railways/ Production Units, RDSO etc. &
Central Training Institutes.

Sub. : Restructuring of certain Group 'C' cadres.

The Ministry of Railways have had under review Cadres of certain Group 'C' staff in consultation with both the recognized Federations (AIRF/NFIR) with a view to strengthen and rationalize the staffing pattern on Railways. As a result of the review undertaken on the basis of functional, operational and administrative requirements, it has been decided with the approval of the President that the Group 'C' categories of staff as indicated in the Annexures 'A' to 'H' to this letter should be restructured in accordance with the revised percentages indicated therein. While implementing these orders the following instructions should be carefully and strictly adhered to :

Date of effect

1. The restructuring of the cadres will be with reference to the sanctioned cadre strength as on 01-11-2013. The staff who will be placed in higher grade pay as a result of implementation of these orders will draw pay in higher grades w.e.f. 01-11-2013. The benefit of restructuring will be restricted to the persons who are working in a particular cadre on the cut-off-date i.e. 01-11-2013.

Applicability to various cadres

2. These orders will be applicable to the permanent regular cadres (excluding surplus & supernumerary posts) of the Open Line establishments including Workshops, Production Units, RDSO and Centralized Training Institutes. Only those temporary posts which are in operation for atleast three years may also be taken into account for the purpose of applying revised percentage. This will be subject to certification that these posts are meant for regular activities which will continue and not for any sporadic requirements.
- 2.1 These orders will also be applicable to the regular posts of Group 'C' cadres, borne on the permanent establishment of Centralized Training Institutes, chargeable to Revenue and identical in AVC, Grade Structure, Designation & Recruitment pattern to that of same categories on the Zonal Railways.
- 2.2 These orders will not be applicable to ex-cadre & work-charged posts which will continue to be based on worth of charge.

[Signature]
8/10/13

- 2.3 These instructions will also not be applicable to construction Units and Projects, where posts are generally created on worth of charge basis. For creation of posts in these units the percentage distribution of posts as in Open Line/Production Units may be generally kept in view, taking into account the availability of funds and extant rules for the same.

Pay Fixation

3. The pay of staff promoted against the additional higher grade posts as a result of restructuring (including chain/resultant vacancies) will be fixed as per Rule 13 of RS(RP) Rules, 2008 with the benefit of one increment @ 3% of basic pay, with the usual option for pay fixation as per extant rules.

Existing classification and filling up of the vacancies

4. The existing classification of the posts covered by these orders as 'selection' and 'non-selection', as the case may be remains unchanged. However, for the purpose of implementation of these orders, if any individual Railway servant becomes due for promotion to a post classified as a 'selection' post, the existing selection procedure will stand modified in such a case to the extent that the selection will be based only on scrutiny of service records and confidential reports without holding any written and/or viva-voce test. This modified selection procedure has been decided upon by the Ministry of Railways as a one time exception by special dispensation, in view of the numbers involved, with the objective of expediting the implementation of these orders. Similarly for posts classified as 'non-selection' at the time of this restructuring, the promotion will be based only on scrutiny of service records and confidential reports. In the case of Artisan staff, the benefit of restructuring under these orders will be extended only on passing the requisite Trade Test.

- 4.1 Normal vacancies existing on 01-11-2013 (except direct recruitment quota) and those arising on that date from this cadre restructuring including chain/resultant vacancies should be filled in the following sequence:

(i) From panels approved on or before 01-11-2013 and current on that date;

(ii) and the balance in the manner indicated in para 4 above.

- 4.2 Such selections which have not been finalized by 01-11-2013 should be cancelled/abandoned.

- 4.3 All normal vacancies arising from 02-11-2013 will be filled by normal selection procedure.

N. Ram Lakshmi
8/10/13

- 4.4 All vacancies (including chain/resultant vacancies) arising purely due to this cadre restructuring should be filled up by senior employees who should be given benefit of the promotion w.e.f. 01-11-2013 whereas for the normal vacancies existing on 01-11-2013, junior employees should be posted by modified selection procedure but they will get promotion and higher pay from the date of taking over the posts as per normal rules. Thus the special benefit of the promotion w.e.f. 01-11-2013 is available only for vacancies arising out of cadre restructuring and for other vacancies, the normal rules of prospective promotion from the date of filling up of vacancy will apply.
- 4.5 In cases where percentages have been reduced in the lower grade and no additional post becomes available as a result of restructuring, the existing vacancies on 01-11-2013 should be filled up by normal selection procedure.
- 4.6 Direct recruitment percentages will not be applicable to the additional posts arising out of these restructuring orders as on the date of effect. The direct recruitment percentage will apply for normal vacancies arising on or after the date following the date of effect i.e. 01-11-2013. The direct recruitment quota as existing prior to the date of effect in certain categories will continue to be maintained.
- 4.7 Employees who retire/resign or expire in between the period from the date of effect of these orders to the date of actual implementation of these orders, will be eligible for the fixation benefits and arrears under these orders w.e.f. 01-11-2013, if they are otherwise eligible for the said benefit.
5. Extant instructions for D&A/Vigilance clearance will be applicable for effecting promotions under these orders with reference to date of effect of these orders.

Minimum years of
service in each grade

6. While implementing the restructuring orders, instructions regarding minimum period of service required for promotion issued from time to time should be followed. However, while considering any relaxation in the residency period prescribed for promotions to various categories, General Managers would personally ensure that the safety aspect of Railways is not compromised.

Basic functions duties
and responsibilities

7. Since the cadres as detailed in the annexures to this letter are being restructured on functional, operational and administrative considerations, the posts being placed in higher scales of pay as a result of restructuring should include the duties and responsibilities of greater importance.

N. Srinivasan
8/10/13

- Adjustment of excess number of posts. 8. If prior to issue of these instructions the number of posts existing in any grade in any particular cadre exceeds the number admissible on the revised percentages, the excess may be allowed to continue to be phased out progressively with the vacation of the posts by the existing incumbents.
- Provision of reservation 9. The existing instructions with regard to reservation of SC/ST wherever applicable will continue to apply.
- Pin pointing of posts 10. The administration should take steps to pin-point the additional posts arising out of this restructuring as per administrative requirements. However, in those cases where due to pin-pointing of posts staff is required to join duties in the upgraded posts at a different station, such staff may be allowed the benefit of upgradation/promotion on "as is where is basis" for the time being and allowed to join the pin-pointed post at the new station within six months time from the date of issue of promotion order, subject to the satisfaction of HOD on merit in each case.
- Refusal of promotion 11. Such of the Staff as had refused promotion before issue of these orders and stand debarred for promotion may be considered for promotion, in relaxation of the extant provisions as a one time exception, if they indicate in writing that they are willing to be considered for such promotion against the vacancies existing on 01-11-2013 and arising due to restructuring on the date. This relaxation will not be applicable to vacancies arising after the date of effect i.e. 01-11-2013.
- Matching Savings 12. Entire scheme of restructuring is to be a self-financing and expenditure neutral proposition. Financial implications should be worked out taking into account the revised basic pay (including the Grade Pay) corresponding to the midpoint of the pre-revised pay scales in respect of each post as listed in the fitment table circulated vide Railway Board's letter no. PC-VI/ 2008/I/RSRP/1 dated 11-09-2008 and 12-09-2008, along with the Dearness Allowance as applicable on date of effect of these orders.
- 12.1 After working out the financial implications, the matching savings should be effected from the category itself. Wherever it is not possible to do so from the category itself, the matching savings should be arranged from the department at the divisional/zonal level. But before restructuring the cadre as per the revised percentage distribution of posts, matching savings will have to be ensured and if the Department/Railways are not able to provide the matching savings, the particular category/department will not be restructured. While effecting surrender of posts of equivalent

N. K. Singh
8/10/13

financial value, the existing vacant posts available in the categories on the date of effect should be considered for the purpose of off-setting the cost of restructuring/financial effects of restructuring. Board desires that the General Managers should ensure that the restructuring is implemented expeditiously with matching saving without any exception and difficulty. There would be no restructuring without matching savings by surrender of posts.

- 12.2 Revised percentage distribution of posts as per these orders is to be based upon the sanctioned cadre strength as on 01-11-2013. Surrenders are to be effected on this sanctioned strength and the resulting imbalance/variation in the cadres is to be reviewed at the time of next annual review as indicated below.

Annual review

13. As per instructions contained in Board's letter No. PC-VI/2009/CRC/4 dated 26.03.2010, the Annual Review due to be conducted as on 01-04-2010 on the cadre strength of 01-04-2010 was suspended. It has now been decided that the next Annual Review will be undertaken from 01.04.2015 taking into account the cadre strength as on 01.04.2015.

This issues in consultation with the Establishment Directorate and with concurrence of the Finance Directorate of this Ministry.

The receipt of this letter may please be acknowledged.

The Chairmen,
All Railway Recruitment Boards.

Sub.: The numbers of candidates to be called for Psycho Test (ASM/Traffic Assistant) and Typing Skill Test for Clerical Categories.

As per the existing instructions contained in Para 315.4 of RRB Manual, for direct recruitment to the post of ASM /Traffic Assistant and Junior Accounts Assistant (JAA) / Accounts Clerks / Senior Clerks / Junior Clerks, candidates equal to five times the number of vacancies are called for the Psycho Test and Typing Skill Test respectively after qualifying in the prescribed written test. While analyzing the reasons for short panels supplied by the RRBs under these categories in the recent past, it was noticed that the pass percentage (%) of candidates appearing in Psycho Test and Typing Skill Test was low. This had resulted in tremendous waste of our efforts in recruiting candidates for these categories.

2. In view of above, the matter has been deliberated upon and it has now been decided by the Board that for the selection of ASM/Traffic Assistant and Clerical categories (NTPC Graduate /Under Graduate) where Psycho Test or Typing Skill Test is prescribed, total number of candidates to be called for these tests, from those who have qualified in the written examination, may now be modified as under :

OFFICE MEMORANDUM

Sub: Submission of Form 14 by the spouse to the pension disbursing bank after the death of the pensioner – instructions reg.

The undersigned is directed to draw attention to the requirement of applying for family pension in Form 14 as given in rule 81 (2) (A) (ii) of the CCS (Pension) Rules, 1972.

2. This Department has been receiving representations from various quarters to do away with the condition of applying for family pension in Form 14 as it is causing inconvenience to widows, who find it difficult and embarrassing to present themselves before two Gazetted Officers/persons of repute for attestation of Form 14.

3. Before commencement of family pension, personal identification details of the spouse such as specimen signature, personal mark of identification and left hand thumb impression, proof of age/date of birth of spouse and an undertaking from him/her for recovery of excess payment are to be obtained by the bank. Form 14 serves as a standard processing sheet, which defines and delineates the exact requirement of information to be given to the pension disbursing Bank. It was apprehended that in the absence of this standard, the widows may be asked to submit any relevant or irrelevant information by the bank. This could also lead to delay in commencement of the family pension.

4. The matter has been examined and it has been agreed that in case the pensioner and spouse are holding a joint account, the possibility of claim for family pension from someone else does not arise. Therefore, in such cases, there is no requirement of Form 14. The spouse may inform the Bank of death of the pensioner and request the bank for commencement of family pension, through a simple letter. He/she may enclose a copy of death certificate of pensioner, PPO, proof of his/her own age/date of birth and an undertaking for recovery of excess payment. In other cases, i.e., where the pension is not being credited to the joint bank account of the pensioner and his/her spouse, Form 14 will be continued to be obtained by the banks. However, the condition of attestation of Form 14 has been done away with and witnessing by two persons has been considered as sufficient.

5. For all future cases, Head of Office will forward to the PAO, along with similar details for the pensioner, the specimen signature, personal mark of identification, left hand thumb impression, the proof of age/date of birth and an undertaking from the spouse regarding recovery of excess payment. After the death of the pensioner, the spouse of the deceased pensioner will be required to provide only death certificate to the paying bank, who will identify the spouse based on the information given in the PPO and its own "Know Your Customer" procedures. Where the pensioner and his/her spouse do not have a joint account, Form 14 will be required as in para 4 above.

6. This issues with the concurrence of Department of Expenditure, vide their ID No. 601/E.V/2013, dated 13.09.2013.

Sub: Introduction of Single Window System (SWS) for reimbursement of Railway Pensions.

The implementation of Single Window System for reimbursement of Railway pensions disbursed through Public Sector Banks (PSB) was under consideration in Board's office for some time due to the following advantages:-

Advantages to the Zonal Railway: -

- The designated Railways need to interact only with the nominated Nodal Branch for both submission of PPOs and receipt of pension scrolls.
- PPOs would be sent directly to the nominated Nodal Branch instead of the various Link branches, which shall ensure timely dispatch thereof to their Central Pension Processing Cell (CPPC) to ensure commencement of pension payment from the month following the month of retirement of Railway employees.
- Due to quick submission of monthly pension scroll in both physical form and electronic form, better monitoring and reconciliation process of the pension debits resulting in more accuracy in the projection of pension budget.
- Better monitoring of grievances and redressal thereof.

Advantages to the Pensioner: -

- The pension commences from the month following the month of retirement of a railway employee.
- The pension is credited to the pensioner's account every month on time.
- Errors in the calculation of amount of pension are minimized, arrears are calculated and paid in time.
- The grievances redressal system would become more effective.

Controller General of Accounts (CGA) and Reserve Bank of India (RBI) have since approved the implementation of SWS with **State Bank of Patiala, Central Bank of India, Indian Overseas Bank, State Bank of Bikaner and Jaipur, Canara Bank, Andhra Bank, Indian Bank, Punjab National Bank, Oriental Bank of Commerce and Vijaya Bank** w.e.f. 01.10.2013. The main features of the existing system vis a vis SWS are as under:

Present System: -

- FA&CAOs of all Zonal Railways and Production Units are authorized to issue PPOs (**Annexure 1**). FA&CAOs draw the PPOs against the bank opted by the pensioners and send the same to the nominated Link branch of that bank directly which further forwards the same to the Paying Branch concerned.

- The paying Branch takes the PPO on their record and thereafter credits the pension amount monthly in the pensioner's account and sends scroll to the Link Branch.
- The Bank's Link Branches compile the scrolls of all paying branches under them and send the same to the designated FA&CAOs (**Annexure 2**)
- Simultaneously, Link branch also submits the claim for the reimbursement of pension payment to the designated nominated reimbursing agency i.e. nominated RBI / SBI Branch.
- The Reimbursing Branch claims the reimbursement from RBI, Central Accounts Section (CAS).
- RBI/CAS/Nagpur credits the account of the reimbursing bank and debits the account of respective designated Railway.

Single Window System:-

- FA&CAO of all Zonal Railways / Production Units shall continue to be authorized for issue of PPOs (**Annexure 1**).
- The banks have nominated their nodal branches both for receiving the PPOs and also for the submission of pension debit scrolls to the FA&CAOs. Copies of the special seal together with specimen signatures of the authorized signatories should be sent to the Nodal Branches for record and to facilitate verification by Nodal Branches/CPPC of the Bank.
- In case of fresh pension cases, both halves of PPOs (i.e. disburser's and pensioner's) sent by PPAs (Pension Paying Authority) will be received at the Nodal branches nominated by the Banks at the headquarter of the 16 designated FA&CAOs and subsequently they will send the pensioners' half to the respective Pension Paying Branch for onward delivery to the pensioners after due identification etc. and the Bank's half to the CPPC of the Bank.
- The images of the Pension Payment Order (PPOs) will be scanned and stored in the master database by CPPC, which will be visible to the Pension Paying branch also.
- CPPC would build up a master database (including scanned images of PPOs) for the existing valid Railway Pensioners of all the branches of Bank.
- The PPOs issued in a month by the Railways/PUs have to reach the nominated Nodal Branch of the Bank by 5th of the ensuing month. The Nodal Branch (in case it is different from CPPC) will thereafter forward the disburser's copy to the CPPC of the Bank and the pensioner's copy to the Paying Branch by 10th of the month. Thereafter, the CPPC will carry on the necessary scanning and other procedures so that payment of pension is ready to commence from the following month in which the pensioner retires.
- The paying branch will intimate the pensioner immediately on the receipt of pensioner's half so that pensioner fulfils the necessary formalities with them and then advise CPPC in this regard so that pension is credited in the pensioner's account invariably by the end of the month.
- Changes / modifications in the Pensioner's Data/Pension Scroll will take place at CPPC of the Bank. Pension will be processed at CPPC and scrolls will be generated.
- Based on the generated Scroll, CPPC will credit the pension to the pensioners' accounts of all the Core Banking System (CBS) branches. For non CBS branches, CPPC will send the Pension Scroll to Pension Paying Branches for doing the needful at their end.

- CPPC will send the designated FA&CAO wise scroll and claim alongwith the summary sheet under Single Window System (SWS) through Link Cell Nagpur, to RBI/CAS/Nagpur for reimbursement.
- The nominated Nodal Branches will be the point of local liaison and submission of Pension Scroll. The designated FA&CAO wise electronic Scroll will be sent to respective Nodal Branches by CPPC. The Nodal Branches will submit the pension debit scrolls in both physical form and electronic form to the concerned designated FA&CAO for reconciliation and record.
- The CPPC will also create a dashboard that can be viewed by the all the PPO issuing FA&CAOs and the Railway Board indicating the details of PPOs received in a month by their bank and the month of commencement of the pension along with the remarks for non-commencement of pension, if any.
- The details of the pension payment viz Basic Pension, DA, Net Amount etc. should be accessible/viewable by the pensioner online.
- CPPC will calculate pension and arrears, if any, as per the guidelines of Pension Paying Authority. The details of pension calculation will also be available on the Bank's system network and the Pension Paying Branches will hand over a copy of the printout to the pensioner. This information should also be available online to the pensioners.
- The Bank shall provide an online pension helpline wherein the pensioners can view their pension details, lodge complaints related to pension payment and the same will also be viewable to the FA&CAO's office concerned. The CPPC will have a sound grievance redressal mechanism /monitoring cell to track the pensioner's grievances lodged in the pension helpline or otherwise forwarded by Pension Paying Branches, Ministry, Authority or directly by the pensioner.
- Allahabad Bank, Bank of Baroda, United Bank of India, State Bank of India, Dena Bank, Union Bank of India and Bank of Maharashtra have already been covered under the above scheme.
- Now ten more banks viz. **State Bank of Patiala, Central Bank of India, Indian Overseas Bank, State Bank of Bikaner and Jaipur, Canara Bank, Andhra Bank, Indian Bank, Punjab National Bank, Oriental Bank of Commerce and Vijaya Bank** are also covered under this scheme.
- The PPOs drawn against these banks would be sent to their nominated nodal branches for further necessary action. The list of Nodal branches of banks to which the Railways/Production Units (issuing the PPOs) will forward the PPOs is placed at **Annexure 3 to 12**.
- Further, the FA&CAOs designated to settle pension debits as per their regional jurisdiction will receive the pension debit scrolls from the nodal branches as shown in **Annexure 13 to 22** respectively.
- The PPOs against other banks (that are still not covered under SWS) would continue to be sent to their existing Link branches till they are covered under SWS.

Further, the following instructions would be adhered to by the banks:

- There would be a running serial number on the paying branch scroll. It should be ensured that no scroll number is repeated or left out.
- The same check would be done on Nodal Branch Summary Scroll.

- At the pension accounting authority amount booked against duplicate scroll numbers would be checked and the RBI would be asked to put back these amounts to the Government accounts.
- The entire process from the start of payment of pension to reimbursement at RBI, CAS, Nagpur will be handled by the concerned bank itself.
- The Nodal branches will be responsible for reconciliation with the Railways and for settling discrepancies.
- As a onetime exercise authorized banks will send the nodal branch wise, paying branch directory structure with complete postal address, pin code, BSR code to ensure proper and prompt settlement and reconciliation.

The Railways/Units may ensure implementation of this scheme with these ten banks w.e.f. 01.10.2013. The scheme will be extended to other banks after they finalise the modalities and the approval of CGA and RBI is obtained. The feedback on the implementation of the scheme may be provided to Board's Office.

DA: As above.
