➢ ELECTRIFICATION DURING THE YEAR 2016-17:-

1. Electrification of bypass line in section between Sukinda Road-Jajpurkeonjhar Road of Khurda Road Division of 12.456 TKM has been energized with 25 KV AC on regular measure on dt.01.04.2016.
2. Electrification of 3rd line in section between Jakhapura – Haridaspur of Khurda Road Division of 30.385 TKM has been energized with 25 KV AC on regular measure on dt.18.04.2016.
3. Augmented Bharatpur/SSP has been energized with 25 KV AC on regular measure on dt.02.04.2016.
4. Augmented Newgarhmadhupur/SSP has been energized with 25 KV AC on regular measure on dt.08.04.2016.
5. Augmented Jakhapura/TSS has been energized with 25 KV AC on regular measure on dt.13.04.2016.
6. Electrification of double line in section between Machhapur – Radhakishorpur of Khurda Road Division of 1.489 TKM has been energized with 25 KV AC on regular measure on dt.24.05.2016.
7. Chhatrapur/SSP has been energized with 25 KV AC on regular measure on dt.02.06.2016.

8. Electrification of NTPC Exchange yard to Lingaraj connecting line at Talcher of 4.094 TKM & Lingaraj siding of M/s MCL at Talcher of 1.173 TKM have been energized with 25 KV AC on regular measure on dt.20.07.2016.
9. Electrification of Ghantikhal-Narajmarthapur-Chudanggarh double line of 13.928 TKM has been energized with 25 KV AC on regular measure on dt.28.07.2016.
10. Augmented Narajmarthapur/SP has been energized with 25 KV AC on regular measure on dt.01.08.2016 in connection with doubling of Ghantikhal-Chudang Garh.
11. Electrification of Line No-25 & Cross over between Line No-25 & 26 inside TSL Plant of Khurda Road Division of 1.630 TKM has been energized with 25 KV AC on regular measure on dt.03.09.2016.
12. Electrification of line no. 7 & 8 at Jakhapura yard of Khurda Road Division of 2.584 TKM has been energized with 25 KV AC on regular measure on dt.13.10.2016.
13. Electrification of 3rd line between Talcher – TLSB of Khurda Road Division of 4.150 TKM has been energized with 25 KV AC on regular measure on dt.19.12.2016.

14. Electrification of Berthing Line No-1 & 2 (Goods shed line No.3 & 4) at Bhubaneswar of Khurda Road Division of 0.922 TKM has been energized with 25 KV AC on regular measure on date 02.01.2017.

15. Electrification of Long haul loop at Hindol Road of Khurda Road Division of 0.936 TKM has been energized with 25 KV AC on regular measure on date 25.01.2017.

16. Talcher Road/TSS has been energized with 25 KV AC on regular measure on dt.23.02.2017.

17. Augmented Rajathgarh/SSP has been energized with 25 KV AC on regular measure on dt.27.02.2017.

18. Electrification with 25KV AC of Pre-tippler line no 1, 2 & 3 at TSL siding at Kalinganagar, taking off from Jakhapura station of Khurda Road Division of 3.387 TKM has been energized with 25 KV AC on regular measure on dt.01.03.2017.

19. Chainpal/SP has been energized with 25 KV AC on regular measure on dt.03.03.2017.

➢ ELECTRIFICATION DURING THE YEAR 2017-18:-

1. Electrification with 25KV AC of Line no 7, Line 8 & Line no 9 of BSSL Inplant yard at Meramandali of Khurda Road Division of 2.370 TKM has been energized with 25 KV AC on regular measure on dt.10.04.2017.
2. Electrification with 25KV AC of Long haul loop at Gangadharpur of Khurda Road Division of 0.810 TKM has been energized with 25 KV AC on regular measure on dt.11.04.2017.
3. Electrification with 25KV AC of doubling in section between Sitabinj-Chilikidara of Khurda Road Division of 34.706 TKM has been energized with 25 KV AC on regular measure on dt.18.04.2017.

4. Augmentation of Chilikidara/SSP, Nilakantheswar/SSP & Harichandanpur/TSS has been energized with 25 KV AC on regular measure on dt.18.04.2017 in connection with doubling of Sitabinj-Chilikidara.
5. Electrification with 25KV AC of doubling in section between Porjanpur – Naranpur of Khurda Road Division of 32.288 TKM has been energized with 25 KV AC on regular measure on dt.05.05.2017.

6. Augmentation of Porjanpur/SSP, Goaldhi/SSP & Kendujhargarh/TSS has been energized with 25 KV AC on regular measure on dt.05.05.2017 in connection with doubling in section between Porjanpur – Naranpur.

7. Electrification of third line in section between Bhubaneswar New Station to Mancheswar of 5.487 TKM and double line in section between Chudang Garh Block Cabin- Bhubaneswar New Station of Khurda Road Division of 13.723 TKM has been energized with 25 KV AC on regular measure on dt.22.06.2017.

8. Patia/SP has been energized with 25 KV AC on regular measure on dt.16.06.2017 in connection with third line in section between Mancheswar-Barang.

9. Electrification of Long haul loop at Ganjam of Khurda Road Division of 0.878 TKM has been energized with 25 KV AC on regular measure on dt.30.07.2017.

10. Augmentation of Barang/SSP has been energized with 25 KV AC on regular measure on dt.21.08.2017.

11. Electrification of "Goods Siding line (North end) at Mancheswar yard" of Khurda Road Division of 0.563 TKM has been energized with 25 KV AC on regular measure on dt.10.10.2017.

➢ ELECTRIFICATION DURING THE YEAR 2018-19 (Up to September 2018):-

1. Electrification with 25KV AC between Barang - Chudang Garh re-grading work of Khurda Road Division of 2.943 TKM has been energized on regular measure on dt.19.05.2018.

2. Angul/SSP has been energized with 25 KV AC on regular measure on dt.04.05.2018.

3. Electrification with 25KV AC at MEMU shed line of Khurda Road of 2.375 TKM has been energized on regular measure on dt.16.06.2018.
