Sub: Pan India implementation of Electronic Transmission of Railway Receipt (eT-RR)

Ref: Rates Circular No.02 of 2015, its Addendum dt.13.03.2018 and Corrigendum dt.26.04.2019

Please refer to Rates Circular No.02 of 2015 circulating guidelines for electronic transmission of Railway Receipt (eT-RR).

2. Pilot project of eT-RR was implemented for POL traffic at HPCL Loni on Central Railway on 30th January 2015. In the second phase, it has been implemented over Northern Railway in March 2018.

3. Board has decided to implement eT-RR on all zonal railways w.e.f. 01.08.2019.

4. eT-RR is now applicable for all freight traffic, including container traffic, except iron-ore. Orders for iron ore traffic shall follow.

5. eT-RR is now applicable for multiple RRs. It will also be made applicable to traffic originating from more than one consignor and/or from more than one station and/or siding. In such cases, following may be noted:

i. Provision exists under e-RD module for multiple consignees wherein the registered customer can place e-demand with multiple forwarding notes for different consignees.

ii. As regards multiple consignors under e-RD, it may be noted that Divisional Railway Authority can club more than one mini rake/piecemeal demands (including demands of multiple consignors and demand from multiple originating stations) to form a rake demand

6. Para 9.7 of Rates Circular No.02/2015 stands modified to the extent of paras 4 and 5 above.

7. Role and responsibility of FOIS(CRIS)

- i. eT-RRs will be issued under different code/series, and will have distinct colour code in TMS.
- ii. Details of surrendered RRs are already available for viewing by TA office in FOIS module. Now, details of surrendered eT-RR details will also be available in the same format, with a filter for eT-RRs.
- iii. All requisite MIS reports shall be made available for Commercial & Accounts officials.
- iv. Till the system stabilizes, provision for printing PDF copy of eT-RR by TA office will be available; if so required for internal checks and records as per codal provisions.
- v. FOIS will prepare detailed action plan and monitor its implementation on day-to-day basis. It will organize training program for field officials to facilitate smooth implementation of eT-RR.
- vi. As and when TAMS will be implemented, the details of eT-RRs will be shared with TAMS through EDI and be shown in the Error Sheet Module(ESM); as is being done for other RRs. A filter may be provided in the ESM for eT-RRs.
- vii. After launch of claims module, integration of it with TMS shall include provision flagging of eT-RRs against which refund has been processed/passed by Accounts Department.

8. Since online indent through e-RD is a pre-requisite for eT-RR, Zonal Railways must make all efforts for registration of all customers for e-RD and for 100% indents to be online/through e-RD.

9. This issues in consultation with Accounts directorate and with the concurrence of Finance directorate of Railway Board.
