1. In terms of Annexure-I to Board's Rates Master Circular/PCC/2019/0, Permissible Carrying Capacity (PCC) and Loading Tolerance of various wagons have been notified. An issue of loading of steel pipes has been raised by Zonal Railways.
2. This issue has been examined, It has been decided by the Competent Authority that for the purpose of charging of commodity "Steel Pipes" (of different diameters), when loaded in "BOST" wagons, Permissible Carrying Capacity (PCC) and Loading Tolerance, on various routes shall be as under :

| Type of Wagon | Commodity                | Permissible Carrying Capacity on              |                                               |                                               | Loading Tolerance |
|---------------|--------------------------|-----------------------------------------------|-----------------------------------------------|-----------------------------------------------|-------------------|
|               | Steel Pipes              | Excepted CC+6 Routes                          | Universalized CC+6 Routes                     | CC+8 Routes                                   |                   |
| BOST          | Of . diameter ≤16 inches | 63 Tonne                                      | 63 Tonne                                      | 63 Tonne                                      | 1 Tonne           |
|               | Of diameter > 16 inches  | 50 Tonne or actual weight whichever is higher | 50 Tonne or actual weight whichever is higher | 50 Tonne or actual weight whichever is higher |                   |

3. It must be ensured by the Goods Clerk that the customer has declared on forwarding note the diameter of the steel pipes that shall be loaded on to the wagons. The declaration on the forwarding note must mention either, (a) that the steel pipes are of diameter ≤16 inches or, (b) that the steel pipes are of diameter >16 inches. In case it is found en-route or at destination that the diameter of the loaded steel pipes are at a variance with the declaration on the forwarding note, the party shall be liable to pay the difference in freight and penalty as per the extant rules. In any case of mis-declaration, the extant rules of penalty as laid down vide Rates Instructions No. 95 of 2006 shall apply.
