Sub: Registration of demand for wagons electronically (e-RD) in case of Granite
Ref: Rates Master Circular/e-RD/2019/0 and its addendum

Please refer to Board's circulars under reference regarding registration of demand for wagons electronically (e-RD) through FOIS.

The matter has been examined and it has been decided to prescribe guidelines for registration of demand for wagons under e-RD in case of Granite by incorporating following para in the Rates Master Circular/e-RD/2019/0 -

"7.1.1(d) Modalities in case of Granite for loading on South Central Railway will be as under-

"In case of Granite traffic which moves on the basis of Allotment Letter and Transit Pass issued by mining authority of concerned State Government, the Railway administration will take up the matter for provision of linkage between FOIS and corresponding system of respective mining authority of State Government for transmission of Allotment Letter and Transit Pass.

Till such time that this electronic integration with State Govt system is established, the customer will upload scanned copy of 'Allotment Letter' issued by mining authority, while registering the demand under e-RD. After supply of rake, the customer will submit the Railway's copy of Allotment Letter and Transit Pass alongwith Forwarding Note to the goods clerk. At the time of issuing Railway Receipt, the goods clerk will verify the Transit Pass and enter its details in FOIS/TMS.

FOIS/CRIS shall make the necessary modifications in FOIS/TMS."

All Zonal Railways are advised to intimate Railway Board if there are any other commodities, wherein Railways have manual mechanisms/checks in place before indenting or loading of regulated commodities, as required by State Governments. Zonal Railways may send details with proposed procedures.

This issues in consultation with Traffic Transportation Dte and with the concurrence of Finance Dte. of Ministry of Railways.
