In continuation to Railway Board letters under reference above, Operator-wise list of additional routes (pair of Hub & Spokes) approved for movement under Hub & Spoke policy is attached as Annexure 'A' and 'B' for EXIM and Domestic traffic respectively. The Permission is subject to the following conditions:

1. The permission is subject to review based on performance and operational issues and is permitted until further advice.
2. While placing of Indent / submission of forwarding note, the Operator should clearly indicate if the container will be moved through the Hub and the Hub terminal (S) should also be clearly indicated.
3. When a container is booked through a permitted Hub, Operator should ensure that under no circumstances the container should enter any other Hub en-route. Any violation on this will be treated as violation of MCA and action will be taken as per the provisions.
4. EXIM containers will be permitted by Hub & Spoke movement in both the directions of the routes enclosed at Annexure 'A'. Domestic traffic movement is permitted in the notified directions as per the list at Annexure 'B' since routes to be permitted in the reverse directions have been included in the list.
5. Permission for CRT as spoke will be subject to provisions of RC 59 of 2009 and corrigendum issued thereof on extension of date.

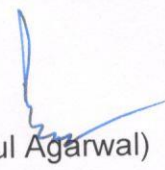

6. Permission for handling containers in Industrial Siding will be subject to the policy governing handling of container trains in Private Industrial Sidings.
7. These routes will come into force from 24<sup>th</sup> July, 2020.
8. All other instructions issued vide letter under above references will continue to hold good.
