No. 2020/TC(FM)/10/13

New Delhi, dated 29.12.2020

Principal Chief Commercial Managers,
All Zonal Railways.

Sub: Long term leasing of VPs by Passenger Special Trains.

Ref: (i) Board's letters of even no. dated 18.09.2020.

(ii) Board's letter No. 2020/TC(FM)/11/29, dated 21.09.2020.

Parcel Vans are being attached to Passenger Special trains since the restoration of train services after lockdown, either as part of train service or as demand/indented Parcel Vans.

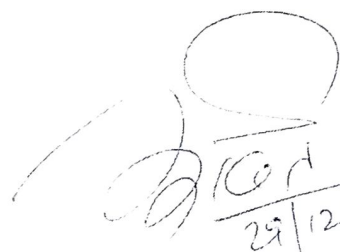

In order to bring stability in this traffic and in order to develop long-term relationships with loading parties, it is desired that Zonal Railways should make efforts for long-term leasing of Parcel Vans which are being attached to various trains, including *Rajdhani* and *Duronto* trains.

Since, processing and finalization of tenders for 'long-term lease' is likely to take some time, these Parcel Vans may be leased out on temporary basis in terms of Board's letters under reference, till finalization of tenders for long-term lease.

Considering that these Parcel Vans are already being attached to Passenger Special trains on regular basis, destination Railway shall give Operational Clearance/ NOC (for long-term lease) immediately on receipt of the proposal – so as to avoid any delay in processing of tenders.

Zonal Railways may take necessary action accordingly under intimation to Board's office.

This has the approval of Competent Authority.
