Sub: Debit/Credit system in case of private sidings – Clarification.

No.216(G)/2020 dated 14.09.2020.**

One of the Zonal Railways have made a reference stating that in case of siding where debit/credit hour is permitted, in the system(TMS) the debit/credit hours is being rounded off on individual rake basis rather than on monthly basis.

This is clarified that as per extant guidelines – “the adjustment will be done on monthly basis across same type of stock and type of operation i.e. loading or unloading”. The basic idea is netting on monthly basis.

All concerned to note and act accordingly.
