Sub: Discount on Haulage Charge for movement of empty tank containers meant for transportation of Bulk Cement

Ref: (i) Corrigendum No.13 to RMC/CRT-CCR-Hub&Spoke/2015/0 dt.06.11.2017

(ii) Corrigendum No.9 dated 28.04.2021 to Rates Circular No.20 of 2018

- 1.0 Requests have been received regarding non-levy of haulage charges for movement of empty specialised tank containers which is proposed to be utilized for transportation of Bulk Cement (Cement in loose condition).
- 2.0 Presently, Bulk Cement (Cement in loose form) when transported in tank containers is charged at Haulage Charge per TEU basis as per circular under reference (i). Further, vide circular under reference (ii), 5% discount on extant Haulage Charge per TEU for movement of loaded containers and 25% discount on extant Haulage Charge per TEU for movement of empty containers & empty flat wagons is applicable till 30.04.2022.
- 3.0 The matter has been examined. With a view to have consistency and stability in rates and also to encourage customer to offer traffic of bulk cement to rail, Sanction of Competent Authority is hereby accorded to grant concession on normal Haulage Charge per TEU for movement of empty specialised tank containers meant for transportation of Bulk Cement, which will be moved as loaded in one direction and returns as empty, for a period of 5 (five) years, as a special case, as per the following:

Timeline	Extent of concession on normal haulage charges of empty containers
1 st year	50%
2 nd year	40%
3 rd year	30%
4 th year	20%
5 th year	10%

- 4.0 For the sake of clarity, it is advised that if loaded movement of specialised containers is from A to B, then normal Haulage Charge (without concession as mentioned in Para 2.0 above) will be levied. Concession to the extent mentioned above will be applicable for empty return movement from B to A.
- 5.0 However, if these specialized containers move on any other route, normal haulage charge (without any discount as mentioned in Para 2.0 above) for empty/loading containers will be levied.

Recd.
16.7.21

16 July 2021

- 6.0 The tank containers for bulk cement movement should be designed, manufactured, tested and inspected as per all the relevant provisions as applicable to ISO containers.
- 7.0 These instructions will come into force w.e.f.01.08.2021.
- 8.0 This issues in consultation with Traffic Transportation & Mechanical Directorates and with the concurrence of Finance Directorate of Ministry of Railways.
