References have been received from Zonal Railways for notifying haulage charges for roundtrip movement of container traffic of lead more than 50 km. Different zonal railways are facing different issues in attracting container traffic by offering suitable incentives due to their local conditions. In such a situation, it has been decided to issue a uniform guidelines for all zonal Railways.

In terms of Section 32 of The Railways Act 1989, a railway administration may, in respect of the carriage of any commodity and subject to such conditions as specified, may quote a station to station rate [Section 32 (a-c)] and charge lumpsum rate (Section 32d).

The matter has been examined and following is approved:

1. Round Trip movement of Ultra Short Lead (i.e. upto 50km), inter and intra zonal, will be governed by Railway Board Corrigendum No.44 to RMC/CRT-CCR-Hub&Spoke/2015/0, till its present currency ie 30.04.2022.

2. In addition, for all intra-zonal round trip movement of container traffic more than 50km, Zonal Railway may take necessary action to charge at lump-sum rate, in consultation with their Associate Finance, keeping the Railways' overall interest in view with following conditions:
   a. Minimum 45 BLC will be subject to charge in loaded and empty haulages irrespective of actual run.
   b. No other concession on haulage of container, empty or loaded, presently in vogue shall be applicable for lump sum rate.

3. There shall be an upper limit of 250km, one way, for intra-zonal movement under this facility.
4. Railway will send half yearly report of the working of this policy.

26/07/2021 26.07.2021

5. This will come into force with immediate effect.

This issues in consultation with Traffic Transportation Directorate and with the concurrence of Finance Dte in the Ministry of Railways.
