Sub: Haulage Charge for movement of cube containers

Ref: (i) Rates Circular No.20 of 2018 and its amendments
(ii)Corrigendum No.43 to Rates Master Circular/CRT-CCR-Hub&Spoke/2015/0

Please refer to Corrigendum No.43 dt.07.01.2021 to Rates Master Circular/CRT-CCR-Hub&Spoke/2015/0 regarding levy of Haulage charge for movement of cube containers.

The matter has been reviewed. In supersession of above-mentioned circular, following guidelines are issued:-

- Haulage Charge for movement of cube containers loaded on a container wagon (BLC etc.) will be levied at par with the notified Haulage Charge for 40 feet container as per the concerned weight slab notified vide Rates Circular No.20 of 2018.
- It may be noted that even if one cube container is loaded in a wagon, then entire wagon should be treated as carrying loaded cube containers and the charging should be done for 40 feet container as per the concerned weight slab.
- In one wagon only cube containers should be loaded and not a combination of three cube and one 20F container(TEU) which is theoretically possible. System should not allow charging of three cube containers and one 20F container(TEU) in a wagon.
- If all six cube containers loaded on a wagon are empty, then only Haulage Charge for empty containers will be applicable.
- Discount currently permitted for movement of loaded containers and/or empty flats/empty container will not be allowed in the case of wagon loaded with cube containers.
- Notified commodities are not allowed to move in cube containers.
- In case of a rake containing of cube containers, normal containers and empty flat wagons, then cube containers will be charged as per above-mentioned guidelines. Normal container/empty flat wagon in the rake will continue to be charged as per normal guidelines.
