ii.Railway Board's letter no.TCR/1017/2015/01 dated 07.12.2015 and of even number

Reference (i) above, it is reiterated in continuation to reference (ii) above, that if traffic booked for Two Point; Multi Point combination is in deviation with the extant guidelines, the same will lead to charging at wagon load Class rate, along with the Two Point/ Multi Point Surcharge.

Again reference (i) above, it is observed that the multi point rake was booked for 290km, which is a deviation from the extant guidelines of transportation product.
