No. 2023/TC(FM)/4/30 Dated : 09.09.2025

Principal Chief Commercial Managers,
All Zonal Railways.

Sub: Calculation of Maintenance Charge on GPWIS Wagons
Ref: This office letter of even no dated 25.04.2025

It has been observed that different Zonal Railways are following varying methodologies for calculating the 2% maintenance charge on GPWIS wagons. On some railways, capital cost of wagons is reckoned alongwith GST while on others it is reckoned without GST. The matter has been examined in consultation with Mechanical Engineering Directorate of Board.

2. It is clarified that maintenance charge should be levied on the *cost of wagon excluding GST*. However, GST is to be levied on the maintenance charge payable by the wagon owner, as applicable.

Illustration:

Capital cost of wagon **(Basic cost excluding GST)**	Maintenance per wagon @ 2% of capital cost	GST on Maintenance Charge @ 18%	Total Maintenance Cost per Wagon
34,65,000	69,300/-	12,474/-	81,774/-

3. The above clarification shall take effect prospectively and no refund claims for the past transactions shall be entertained.

4. Zonal Railways are requested to take necessary action accordingly

5. This issues with the concurrence of the Finance (Commercial) Dte. of Ministry of Railways
