Letter received from Railway Board is reproduced below:-

In case of concession to accredited press correspondents, presently the tickets through UTS are being issued only from the station that issued the Photo identity card to the concerned press correspondent. This restriction was not there in case of the earlier system of issuing tickets through coupon books as the correspondent could purchase ticket from any station at which he presented the coupons.

In this regard references from Zonal Railways have been received for relaxing the restriction regarding issuing UTS tickets from the Photo identity card issuing station only, i.e. allowing issue of UTS tickets to accredited press correspondents from any station.

The above proposal has been examined by Board in consultation with CRIS who have confirmed that necessary software modifications have been done. Accordingly, it has been decided to permit issue of tickets to accredited press correspondents from stations other than the 'Photo identity card' issuing station also.
