

EAST COAST RAILWAY

Commercial Circular No. 113 (G)/2012

Office of the
Chief Commercial Manager
Bhubaneswar
Date: 07.11.2012

Sub: Exemption from weighment of HR coil & other steel products.

Western Railway has proposed for exemption of imported HR coils from weighment on railway's weighbridge, on the plea that their weight is stenciled on the coils itself.

The matter has been examined and it has been decided that HR coil & other steel consignments which have been pre-weighed on certified mill-scales prior to getting loaded in railway wagons and bear marking of Central Excise and/or Customs Departments need not be subject to mandatory 100% weighment at EIMWBs. However, 5% of wagons loaded with such consignment may be weighed by way of sample checks.

These instructions will be effective from 10.11.2012.

This issues in consultation with Traffic Transportation Directorate and with the concurrence of Finance Directorate of the Ministry of Railways.

All concerned to note and act accordingly.

Authority: Railway Board's letter No.TC-I/2012/108/20 dt.06.11.2012 (Rates Circular No.32 of 2012).
