Commercial Circular No.86(G)/2013

Date 02.08.2013

Sub: Change of Loading/Unloading station under Wagon Investment Scheme (WIS).

Ref: Railway Board's letter No.2004/TC(FM)/4/4 dated 22.06.2009

1. Vide letter under reference Railway Board had communicated to zonal railways that **"The change of loading station is being considered only provisionally at present. The policy guidelines on the same will be issued in due course of time."**
2. The matter has been further examined at Railway Board and accordingly it has been decided by the Board to permit change of loading station subject to compliance of following conditions:
 - a. Change of loading station will be considered by Zonal Railway where the proposed loading station is located.
 - b. COM in consultation with CCM may permit change of loading station to the customers who apply for the same. This change of loading station will be done once a year only.
 - c. Such a change of loading station shall be allowed with assured supply and bonus rakes only if the investor wants a change from a public goods shed or from a multi user private siding to one of their own private siding.
 - d. In case the investor wants to shift to a new loading station not falling in the category as in para (c) above, they may be permitted to shift, provided they are willing to forego priority supply in terms of assured supply or bonus rakes clauses.
 - e. Freight rebate as applicable may be allowed to the extent of recovery of cost or the period of rebate originally approved in the policy whichever is earlier.
3. This issues with the approval of Board and concurrence of the Fiancne and TT Directorate of the Ministry of Railways.
4. These instructions will come into force with immediate effect and will be valid for **a period of one year** from the date of issue of this Railway Board's FM Circular.

All concerned to note and act accordingly.
