Date: 08.11.2013.

**Secretary General,
Federation of Railway Officers' Association,
New Delhi.**

**Sub:- Highhandedness of the DRM, Lucknow.
Ref:- FROA's letter No. FROA/2013/52/dated 06.11.2013.**

East Coast Railway Officers Association has taken note of the incidence in Lucknow Division (Northern Railway) where Sr. DME (C&W) and the CDO were suspended through a control message which was subsequently revoked next day. The Executive Committee of ECoROA denounces such gross abuse of power and over stepping of authority by DRM/LKO. Such an action has led to wide spread ridicule all over India and has not only demoralized the two outstanding Officers but also portrayed Indian Railways in a very bad light.

East Coast Railway Officers Association requests Secretary General/FROA to take up this issue strongly with Railway Board so that such highhandedness is not repeated in future.
