

“E-tendering in works contracts is proposed to be implemented in Indian Railways by 31.12.2015.

The prospective tenderers/bidders require a ‘Class III digital Signature’ with company name from any Certifying Agency (CA) authorized by Controller of Certifying Authorities (CCA). They also have to submit online request for registration sufficiently in advance to get themselves registered on IREPS (Works) in order to participate in e-tendering in works contracts”.
