

PROCEDURE FOR APPROVAL OF DPRS

1. After DFR approval the DPR is to be submitted within 3months in the COM's office.The nominated day for receiving DPR is Monday. However, If Monday falls on a holiday, DPRs will be accepted on the next working day.
2. The DPR should include all the items contained in the Check List uploaded in the official website of the East Coast Railway.
3. Preliminary screening of DPRs for compliance of items as per check list to be done before acceptance. If found OK the same shall be accepted for detailed scrutiny and approval. Else, the DPR will be returned for re-submission. During initial scrutiny by respective representatives of Operating, Commercial, Engineering, Electrical, S&T & Mechanical departments, representative of the Party or the Consultant must remain present to clarify doubts, if any.
4. Consolidated observations on the DPR will be communicated to the consultant by CTPM's office.
5. The consultant will remain in touch with each dept of Rly for complying the observations raised.He may clarify/seek clarifications on the observations sent to them. Thereafter, the consultant will submit the final DPR to CTPM for approval.
6. After discussion on finalization of DPR by concerned department the consultant will be advised for further changes, if any, along with payment of balance codal charge to complete 2% of the project cost. On receipt of the same, approval will be communicated within 3 days with advice to submit 17 copies as Final DPR in COM's office, within 7 days.
7. ESP shall be prepared by the consultant as per the approved DPR and shall be submitted at division with 7 paper prints which shall be distributed amongst deptt for faster approval of ESP.After division's approval, HQ shall approve the same and CE No shall be given.
