

EAST COAST RAILWAY

AN OVERVIEW

East Coast Railway with its headquarters at Bhubaneswar has become fully functional w.e.f.01.04.2003 with jurisdiction over three divisions namely, Khurda Road, Sambalpur & Waltair. The Railway covers the states of Orissa, Andhra Pradesh & Chhattisgarh, with 2512.484 Route Kms. (BG & NG) with 281 Railway Stations. It is famous for its Cultural Heritage like the World famous Lord Jagannath Temple at Puri, Sun Temple at Konark, Buddhist Monuments near Bhubaneswar and the important tourist spots like the Sea Beaches at Puri, Chandipur, Konark, Gopalpur & Visakhapatnam. The major Sea-ports of Paradeep, Gopalpur and Visakhapatnam falls within the jurisdiction of this Railway. The area also includes the Wildlife Sanctuaries of Similipal, Tikarapara and Bhattarkanika where rare species of wildlife are being preserved. The beaches are also popular for nesting of OLIVE RIDLEY turtles. The major Sea-Ports play an important role for Railways by providing infrastructure of various minerals & ores being exported outside India. Besides, the coal fields of Talcher and Jharsuguda, the NALCO at Damanjodi & Angul, Steel Plants at Rourkela & VSKP gives important and big revenue to the Railway exchequer by transport of their products through trains.

The following statistics reveal the on-date status of East Coast Railway:
