Sub: - Medical Examination of Railway employees/ Candidates.

Arising out of a reference relating to re-medical of employee/ candidates who have already been examined by Medical Board in respect of previous employment, the need for their re-medical in the event of appointment in Railway post having same medical standard, has been examined in the Board's office.

After careful consideration in the matter it has been decided that in cases where a person has already been examined by a Medical Board in respect of his previous employment and if standard of Medical Examination prescribed for the medical category of the new post in the Railway is the same, then he need not be required to undergo a fresh examination.

This issues with the approval of the DG/RHS
