Commercial Circular No.07(G)/2015

The abstract of Railway Board's letter No.TC-I/2011/305/1 dated 09.01.2015 is reproduced below for information and necessary action.

"Sub: Methodology for calculation of non-working hours in congested goods shed.  
Ref: Rates Circular No.12 of 2011 {CCM/ECOR's Commercial Circular No.34(G)/2011 dated 28.03.2011}.

\*\*\*\*

A clarification has been sought that in the case of congested goods shed having working hours 06.00 to 22.00, if free time expires at or before 22.00 Hours, whether time during 22.00 to 06.00 will be taken into consideration while reckoning total time taken by indenter/consignor for loading, for the purpose of forfeiture of Wagon Registration Fee and cancellation of indent, as per the guidelines prescribed vide Rates Circular 12 of 2011.

As per extant guidelines, in case of goods shed having working hours 06.00 to 22.00, if free time expires at or before 22.00 Hours, Demurrage rule is applicable for detention of the rake during 22.00 to 06.00 hours. Thus if free time expires at or before 22.00 Hours, detention during 22.00 to 06.00 is treated as excess detention for the purpose of levying Demurrage Charge. In the same way, in the case of congested goods shed having working hours 06.00 - 22.00 hours, if free time expires at or before 22.00 hours, the time between 22.00 hours to 06.00 hours is to be taken into consideration while reckoning total time taken by indenter/consignor for loading, for the purpose of forfeiture of Wagon Registration Fee and cancellation of indent as per Rates Circular No.12 of 2011.

This issues in consultation with Traffic Transportation Dte. and with the concurrence of Finance Dte. of the Ministry of Railways".

All concerned to note and act accordingly.

Authority: Railway Board's letter No.TC-I/2011/305/1 dated 09.01.2015.
