In terms of para 8 of 'B' of Board's letter under reference (i) above, details of the booking of parcel will have to be fed in to the system manually. N.F.Railway has raised a query whether it is compulsory to upload data related to all manual P.W.Bills in the web portal ([www.gst.indianrail.gov.in](http://www.gst.indianrail.gov.in)) or only data related to registered customers having GSTIN No. needs to be uploaded by the Division concerned. The matter has been examined in consultation with Accounts Directorate of this office and it is advised that all transactions including B2C transactions on which GST is levied are also required to be entered in the offline site created by CRIS. Accordingly, Zonal Railways are required to enter all manual transactions including of the B2C transaction in the offline site created by CRIS latest by the 5<sup>th</sup> of next month without fail.

All concerned to note and act accordingly.
