D.O. No. 22011/29/2018-CIS-II

Dated 06<sup>th</sup> December, 2018

Dear Sir,

As you are aware, the information and communication technology is being used in all walks of public life including banking, transport, airlines, railways, power and other sectors. With enhanced use of technology for day to day activities, possibility of cyber crimes is also increasing.

2. To mitigate possibility of disruption in normal business activities or losses due to cyber crimes, Government of India is committed to create an ecosystem to prevent and control cyber crimes. 'Capacity building' and 'Public awareness' are critical components for obviating impact of cyber crimes and creating a suitable climate for trust based transactions.

3. With an objective of spreading awareness about cyber crimes and normal precautions to be taken, the Ministry of Home Affairs has launched @CyberDost Twitter handle in 2018 where pertinent posts are being placed regularly. General Public, Students and employees will be immensely benefitted if they follow this twitter handle. This will enhance their basic knowledge about cybercrimes and precautions to be taken for prevention thereof.

4. Further, this ministry has also launched a Portal [www.cybercrime.gov.in](http://www.cybercrime.gov.in) to enable lodging of complaints pertaining to online child sexual abuse material/ rape-gang rape content. I would request you to kindly give wide publicity of the Portal [www.cybercrime.gov.in](http://www.cybercrime.gov.in) and MHA Twitter handle @CyberDost on railway stations across India so that general public is benefitted. I also request you to kindly spreading awareness on cyber crime at railway stations.

With regards,

CRB

Yours sincerely,

Shri Ashwani Lohani,  
Chairman (Railway Board)  
Ministry of Railway, Rail Bhavan,  
New Delhi
