विषय: Permission for joining in the recruited post of sportspersons without insisting of initial training.

Sportspersons recruited through Open Advertisement and Talent Scouting are normally absorbed in categories like TE, CC, Office Clerk and Technician-III, depending upon their educational qualification. Since the training slots are limited in ZRTIs there are occasions where the newly recruited players have to wait for long periods till training slots for them become available. There have been instances where players have been recruited just before an important sporting event but they could not be allowed to join without the mandatory initial training, which weakened the key objective behind their recruitment.

It has been decided that sportspersons may be allowed to join immediately without insisting on initial training and they may be sent for training as per availability of training slot in a flexible manner keeping in view the schedule of sporting events.

This issues with the approval of Board (MS).
