No.TCR/1078/2018/04 Pt.

New Delhi, dated 16.03.2019

**Principal Chief Commercial Managers,
All Indian Railways.**

**Sub: Liberalised Automatic Freight Rebate Scheme for traffic loaded in
Traditional Empty Flow Directions (TEFD).**

Ref: Rates Circular No. 16 of 2018 and Corrigenda thereto.

1. In terms of Rates Circular under reference, policy guidelines for Liberalised Automatic Freight Rebate Scheme for traffic loaded in Traditional Empty Flow Directions (TEFD) were issued. This Scheme is operative up to 31.09.2019.
2. In para 1.7 (Note 2): Example: the word "rake" should be read as "RR". Accordingly, Para 1.7 (Note 2) should read as under:-

In case of those commodities which are in brackets, discounted freight at Class-LR1 (trainload) and Class-100 (wagonload) will be charged only when the monthly benchmark loading of those commodities is crossed. The benchmark loading of the commodity mentioned in brackets shall be total NTKM of that commodity in the O-D pair during the corresponding month of the 2017-2018.

Example: If between BSL-NAG, 8000 NTKM were loaded in May 2018, then benchmark NTKM for May 2019 will be 8000 NTKM. It implies that the RR in which 8000 NTKM is crossed will be booked at general tariff rate and concession under TEFD will be granted only from the next RR.

3. All other terms and conditions stipulated in above referred Rates Circular and corrigenda thereto shall remain unchanged.
4. This issues in consultation with Traffic Transportation Directorate and with the concurrence of the Finance Directorate of the Ministry of Railways.
