Sub: Exemption from mandatory (100%) weighment in case of Containerized Import traffic

Ref: i) Railway Board's Rates Circular No.25 of 2016 (PCCM/ECOR's commercial circular No. 132(G)/2016 dtd 26.09.2016)

ii) Railway Board's letter No.TC-I/2006/109/6Pt.3 dt 12.10.2018

In terms of extant guidelines, exemption from mandatory (100%) weighment in case of Containerized Import traffic is permitted to three CTOs namely Container Corporation of India Ltd., Gateway Rail Freight Ltd. and Distribution Logistics Infrastructure Pvt. Ltd subject to the fulfilment of following conditions-

1. CTOs shall submit electronically, through Electronic Data Interchange (EDI), the train summary as well as the associated Sub Manifest Transhipment Permit (SMTP) in case of import traffic. SMTPs (in XML format) shall separately be obtained directly by FOIS from Customs through EDI. Mapping of the containers as mentioned in SMTP with the containers loaded in the relevant rake shall be done by FOIS. In case SMTP details are not captured through EDI and goods clerk feeds them manually, the rake should be weighed by the railway.

2. TMS shall prepare Railway Receipt (RR)/charge only as per weighment details received from Customs through EDI so as to rule out the technical possibility of any modification in weighment details of each container when received in TMS.

The matter has been reviewed and it has been decided to permit aforesaid exemption to five additional CTOs as listed below:-

- i) Adani Logistics Ltd.
- ii) International Cargo terminals & Infrastructure Pvt.Ltd.
- iii) Hind terminals Pvt.ltd
- iv) India Infrastructure & Logistics Pvt. Ltd
- v) Pristine Mega Logistics Park Pvt. Ltd

CRIS/FOIS shall monitor preparation of RR in case of containerized import traffic of above CTOs and furnish its feedback.

This issues in consultation with Traffic Transportation Dte. and with the concurrence of Finance Dte. of the Ministry of Railways
