(Corrigendum to Container Train Circular No. 03/2014)

No. 2009/TT-III/73/9

Rail Bhawan, New Delhi, dt: 07.06.2019

The General Managers,
All Indian Railways

Sub: Permission to Container Train Operators to access private sidings for handling and transportation of commodities in container trains.
Ref: RB's letter no. 2009/TT-III/73/9 dated 10.12.2010 & 12.08.2014.

In partial modification of the Railway Board letter No. 2009/TT-III/73/9 dated 12.08.2014 permitting Container Train Operators (CTOs) to access private sidings for handling and transportation of commodities in container trains, Board has now decided that Railways will undertake periodical commercial audit **once in a year** instead of six months. The Para 2 shall now be read as under:-

2. However, Railways will undertake periodical commercial audit **once in a year** and if any case of drop in rail co-efficient (traffic moved in wagons other than container trains) is detected 'or' any case of movement of third party cargo is detected, then such co-user permission given to the CTO to access private sidings will stand cancelled and further movement from any private siding by the concerned CTO will be restricted for one year.

3. All other terms and conditions for permission to Container Train Operators to access private sidings for handling and transportation of commodities in container trains shall remain unchanged.
