Representations have been received at Railway Board from CTOs regarding night incentive for handling of container traffic as allowed for normal goods traffic.

The matter has been examined and it has been decided to allow the benefit of night incentive for handling container traffic at Container Rail Terminal(CRT) by incorporating additional para 2.8.1 in chapter –I of Rates Master Circular /CRT-CCR-Hub& Spoke/2015 /0, as under –

“2.8.1 At Container Rail Terminal(CRT) where round the clock working is implemented, 50% of the time during 22:00 to 06:00 Hours will be reckoned for calculation of free time so as to incentivize CTOs to handle container traffic expeditiously. This incentive will be admissible for calculation of permissible free time for loading and/or stuffing the containers and/or unloading and/or de-stuffing containers on a container train and/or usage of ground at CRTs. This incentive shall not be permitted on excess detention beyond free time falling during 22:00 to 06:00 Hours.”

These instructions will come into force w.e.f 05.07.2019.

This issues in consultation with Traffic Transportation Dte. and with the concurrence of Finance Dte. of the Ministry of Railways.

All concerned to note and act accordingly.
