Please refer to your letter under reference. It is advised that since B.Sc. in Electronics is an eligible educational qualification for appointment to the post of Signal Maintainer/Grade-I in Railways, B.E./B.Tech in Electronics should also be considered as an eligible educational qualification for appointment to the said post. ECoR may however ensure that suitability of any such candidate for Compassionate Ground Appointment (CGA) be adjudged by a committee of appropriate level. It may also be ensured that RRB indent, if any placed, is also suitably factored as regards availability of vacancy for accommodating any CGA candidate for the post.

Sub: Guidelines for making appointment in higher grade on compassionate ground.

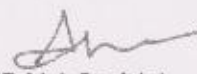

\*\*\*\*\*

In terms of this office letter of even number dated 27.08.2018, the guidelines for making appointment in higher grades has been issued along with the procedure to be followed for appointment under compassionate ground for technical graduates who are being recommended as JE /SSE posts in various disciplines/ departments.

The matter has been further reviewed, pursuant to clarifications sought by one of the divisions, and the following guidelines may also be included :

- 1) If a candidate (Technical Graduate) after being declared failed in the technical examination (JE/SSE) in the first attempt prefers to be screened for non-technical Group-C post, such request may also be considered. But all his earlier attempts for Graduate technical posts should also be counted as valid attempts, while permitting him/her maximum number of chances as per the provisions.
- 2) As per RBE No 72/2018, B.E & B.Tech qualification is not eligible for ESM-I (S&T) posts. However, a reference has been made to Railway Board for further clarification.

This issues the approval of PCPO.
