Reference East Coast Railway's letter No. ECoR/Pers./01/Selection/CLA & PI dated 28.02.2020 on the above subject.

2. The matter has been carefully considered in consultation with the Legal Directorate. The eligibility conditions viz. eligible categories/grades and experience in such grades are decided keeping in view the different aspects i.e. cadre structure, promotional opportunities available to the staff in different grades, responsibilities being shouldered by staff in feeder grade vis-à-vis responsibilities to be shouldered in promotional posts, promotional opportunities available to feeder categories in their own cadre etc. Further, it may be seen that even though such erstwhile Group 'D' staff have been classified as Group 'C', however, there is no change in the responsibilities being shouldered by them. Therefore, classification of such staff as Group 'C' does not automatically make them eligible for promotion to any of the categories, in case they were not eligible prior to implementation of recommendations of 6<sup>th</sup> Central Pay Commission. The Railway should accordingly take further action in the matter in terms of extant instructions.
