

3. CLEANLINESS & SANITATION

At Ichchapuram Railway Station, cleanliness is maintained in a well coordinated manner for the fulfilment of passengers basic amenities and maintaining pleasant atmosphere at Station premises. Two contractual staffs are working on daily basis for following work

- Cleaning and dry sweeping of platforms, station building, FOB, waiting halls.
- Rag picking from track on alternate days.
- Cleaning of toilets twice in a day.
- Cleaning of water booths and water points once daily.
- Disposal of garbage and rag.

Adequate numbers of dustbins are provided inside and outside station area to ensure segregation of waste at source. Passengers are penalized for littering at station premises.
