Sub: - Rounding off of Chargeable distance : Rationalization of fares and freight .

Ref: 1. Railway Board's letter No. TCR/2043/2000/2 dt. 25.06.2004

2. E. Co. Railway's Rates Circular No. 69 (GC) / 04 dt. 01.07.04 .

With reference to above letters , wherein it was communicated that the revised procedure of charging fares and freight by rounding off the actual Engineering distance only once at the end shall come into force from 01.10.2004 . As all the Zonal Railways have not printed their local distance tables and junction distance tables by the target time , it has been decided that the revised procedure of charging fares and freight by rounding off the actual Engineering distance only once at the end shall come into force from 01.01.2005 i.e. First January two thousand five .

It has also been decided that till the implementation of revised guidelines , the earlier procedure for calculating the chargeable distance on the basis of old distance tables should be followed by Zonal Railways .

All concerned to note and act accordingly .
