**ii. Power and Duties of its officers and employees**

The Broad duties of Sr. Officers are enumerated above, those of the middle level and assistant level officers are as decided by the Sr. Officers. The powers are also delegated internally according to the level of officers for speedy disposal of cases. Since the department does not have direct interface with the public elaborate statement of duties/powers of Officers are not relevant.

**iii. The procedure followed in the decision making process, including channels of supervision and accountability**

The decisions which have wider implications are taken at the highest level as mentioned above, in line with the Railway Board's guidelines/instructions. The decisions for local issues are taken by middle and Sr. middle management level i.e. upto Chief Engineer's level. The facts collected at Assistant levels are investigated, compiled and analyzed at the middle/Sr. middle management levels and the decisions are taken at Chief Engineer's/ Principal Chief Engineer's level. The officers and staff are accountable to their superior officers and also to the extent as laid down in Codes and Manuals on some technical and financial subjects.

**iv. The norms set by it for the discharge of its functions**

The basic norms are speedy disposal/processing of cases to monitor and maintain efficient working of the Civil Engineering Wing in the divisions and the establishment in Headquarters so as to ensure the Railway's objective of ensuring safe and smooth running of trains and to monitor inspection of Civil Engineering structures as laid down in Codes and Manuals at various levels and to confirm schedules of action plan assigned to the department.

**v. The rules, regulations, manuals and records, dealt by it or under its controls or used by its employees for discharging its functions**

1) Engineering Code. 2) Indian Railway Finance Code. 3) Indian Railway P.Way Manual. 4) USFD Manual. 5) LWR Manual. 6) Track Manual Vol.I & II .7) Thermit Welding Manual. 8)Track Machine Manual. 9) Indian Railway Bridge Manual. 10) Schedule of dimension. 11) Concrete Bridge Code. 12) Steel Bridge Code. 13) Bridges Rules. 14)Indian Railway Works Manual. 15) Schedule of Rates. 16) General Conditions of Contract and Standard Specifications.

**vi. A statement of the categories of document that are held by it or under its control**

Records/files pertaining to inspections at various levels and remedial actions, finalization and execution of contracts related to Civil Engineering Works. The policy guidelines and instructions from Railway Board, correction slips to various Codes and Manuals, Internal correspondence to carry out official jobs, which is not relevant to public at large.

**vii. The particulars of any arrangement that exists for consultation with or representation by the members of the public in related to the formation of its policy or implementation thereof:**

This being a technical department, supporting the business of Railway indirectly, there are no direct mechanism/arrangement for consultation with the public in formulation of its policy or implementation thereof.

**viii. A statement of boards, councils, committees and other bodies consisting of two or more persons constituted as its part or for the purpose of its advise and as to whether meetings of those boards, councils committees and other bodies are open to the public or the minutes of such meetings are accessible for public:**

There are no boards, councils and other bodies for giving any advice to the Department. The working has been already well defined by various Codes and Manuals, annual budget and action plans of Ministry of Railway and Railways Board's instructions issued from time to time. Only committees are formed consisting of 1, 2 or 3 members as and when required in internal discharge of functions/duties e.g. Works contracts, Arbitration etc.

**ix. The budget allocated to each of its agency indicating the particulars of all plans, proposed expenditure and reports on disbursements made:**

Works are executed as per Works Programme which includes new works sanctioned based on the throw forward liabilities of old works. The funds available are specified by

Railway Budget every year in Pink Book. It is not possible to furnish details and plans of all works sanctioned. Allocations and expenditure work-wise is mentioned in Pink Book & Law Book which is uploaded. The budget allocations for revenue as well as capital expenditure are published every year after the Railway Budget.

x. **The manner of execution of subsidy programme, including the amounts allocated and the details of beneficiaries of such programmes:** There are no subsidy programmes.

xi. **Particulars of concession, permits or authorization granted by it:** Not applicable.

xii. **Details in respect of the information available to or held by it, reduced in an electronic form:**

Links provided of the documents which are available in electronic form.

xiii. The particulars of facilities available to citizens for obtaining the information, including the working hours of library or reading room is maintained for public use. Not applicable.

xiv. The names, designations and other particulars of the public information officers:

Sl.No.	Name	Designation	BSNL No.	Railway No.	Mobile No.	FAX No.
1	C.R.DAS	DY CE/B&F And Public Information Officer.	2303872	50224	8455885207	2303872

xv. **Such other information as may be prescribed and thereafter update these publications within intervals in each year as may be prescribed:** Nil
