Sub: Suggested system improvement in connection with RCT claim case under section 124 (A).

While conducting sample check of cases of Railway Claims Tribunal in untoward incidents it was found that 'Form-1', which is mandatory, is not being filled up by the on-duty SM. Further, the RPF staffs, deputed to spot of the incident, don't enquire about the valid travelling authority with the affected person. Following suggestions for system improvement may kindly be deliberated.

1. A printed book of Form-1 with sufficient foils may be provided at each station so that the SM can fill up the form and sent the same to the office of the SrDSC/nearest RPF post.
2. While scrutinizing the unsatisfactory report, the security/commercial controller should also verify from the concerned SM whether Form-1 has been filed and sent or not.
3. RPF/GRP should take the statement of the affected person when he is conscious and confirm that whether he has a valid journey ticket or not.

A line of compliance in this regard may please be intimated to this office.

This has the approval of the SDGM/ECOR.
