No. GM/V/ECOR/Sys. Imp/68/ 3 87

Dt. 03.02.2020

To
The Principal Chief Engineer,
East Coast Railway,
Bhubaneswar.

Sub: Guarantee and penalty clause in contracts for distempering and exterior painting of service building and Quarters.

Schedule of colour washing and distempering of various building and quarters is specified vide annexure 2.6 of para 225 (A) of Indian Railway Works Manual. For exterior surfaces, Premium Acrylic smooth exterior paint (Weather coats) are used now a days. These paints are durable and also costly. It is suggested that minimum durable life of these paints should be fixed to avoid repetitive painting and unnecessary wasteful expenditure. A guarantee clause for good quality work and penalty clause for sub-standard work may also be incorporated in the contract as done in some of the contracts of mechanical department to avoid wasteful expenditure.

A copy of system improvement implemented may be sent to this office for record please.

This issues with the approval of SDGM.
