Sub: Suggestion for System Improvement on grant of Personal Computer Advance.

During the preventive checks conducted by Vigilance department in the offices of Sr.DPO/SBP, Sr.DPO/WAT, PCPO/BBS & WPO/CRW/MCS, it is noticed from the purchase receipts of Personal Computers that some employees have purchased Printers and & UPS along with PC as peripheral devices from the PC advances granted to them.

Further principal amounts of PC advances are being recovered automatically through IPAS in instalments as opted for by the employee concerned, however, interests accrued upon are not being recovered immediately after recovery of Principal amounts.

In view of the above, it is advised to do needful action at appropriate level on the followings:

1. Purchase of Printer & UPS with PC as peripheral devices should be made explicitly permissible to rule out any ambiguity under PC advance.
2. To develop a programme in IPAS so that the interests accrued upon PC advances shall be automatically recovered through IPAS.

A copy of action taken on the above may please be endorsed to this office.

This issues with the approval of SDGM.
