No. TC-II/2046/2020/Parcel Policy (3328362)

New Delhi, dated 04.05.2022

The Principal Chief Commercial Managers,
All Zonal Railways

Sub: Freight Charges for Second-cum-Luggage Van (SLR) attached to freight trains and RO-RO trains.

The matter of attaching Second-cum-Luggage Van (SLR) to freight trains, including trains transporting trucks under RO-RO concept, has been examined.

Ministry of Railways has decided that whenever a Second-cum-Luggage Van(SLR) is attached to a freight train -- including train transporting trucks under RO-RO concept -- due to operational requirements, the space available in the SLR may be utilized for transportation of parcels also, provided parcel traffic is available between the same origin-and-destination stations and loading/ unloading of parcels can be done without any extra detention to the freight train.

The freight for such parcels shall be charged at 'P-scale' of charging of parcels.

This issues with the concurrence of the Finance Directorate of Railway Board.

Necessary action may be taken accordingly and confirmed.
