Dt. 25.08.2021

To,
The Principal Chief Signal and Telecom Engineer,
East Coast Railway.

Sub: System Improvement as suggested by Railway Board.

A preventive check was conducted on the monitor/Usage of CCTV surveillance system vide agreement number S&T/PROJ/BBS/CCTV/OT/03/2015/CA dated 17.11.2015.

In this regard, Railway Board has suggested the following system improvements to be implemented.

1. Advisory may be issued to include material and technical guidelines as per available RDSO/Railway specification, in future tenders. In case deviation, technical approval of competent authority should be taken from case to case basis.
2. Advisory may be issued to all concern to indicate total VAH capacity of battery for UPS or inverter along with the hours of backup to avoid post tender disputes.

The implementation of the system improvement may be intimated to this office for onward submission to the Railway Board.
