No: GM/V-2/Tfc/PKB/BTAP/Stabling/1895/ 2680 Dt: 25.10.2021

PCOM, PCCM
East Coast Railway,

Sub: System improvement for collection of Stabling charges for stabling of private rakes in railway system on party's account.

Ref: Sr.DOM/WAT's Lt.No.WTG/40/POL dt.29.09.2021

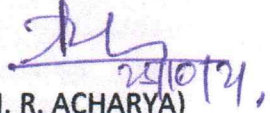

Sr.DOM/WAT vide his letter referred above has communicated a list of private rakes such as BTAP/BTCS/BLC stabled in Railway system for various reasons purely on party's account and advised divisional commercial department to recover the stabling charges. The reasons of stabling are as follows:-

- (a) Diversion of rake to another loading point,
- (b) For want of line at exchange yard of Pvt. Siding;
- (c) for want of indent by the party.
- (d) Siding problem.

Sr.DCM/WAT raised the bills of stabling charge on the parties and due to vigilance intervention an amount of **Rs.97,63,836/-** for **39 rakes** was collected from the parties.

In view of the above, divisions may be advised to develop a system so that all cases of stabling of privately owned rakes including container are promptly communicated to commercial department for raising stabling charges and realizing the same.

Action taken on the above may kindly be intimated to this office.
This has the approval of SDGM/ECOR.
