To
Principal Chief Electrical Engineer,
East Coast Railway,
BHUBANESWAR

Sub: Uniform Basic rate for Electrical department.

In different preventive checks for OHE works it is found:

- i) Basic rates for some items vary abruptly from one tender to another within a very short period.
- ii) Some basic rates are very high when compared with market rates/Store Purchase Orders.

For all tendering purpose Unified Standard Schedule of Rates(USSOR) and Uniform Basic rates(UBR) are followed by Engineering department and S&T department respectively.

Similarly Uniform Basic rates of Electrical department should be available for tendering purpose.

It is requested to fix UBR for Electrical items through formation of committee.
