Dated 16.02.2022

Vigilance Advisory No. 2022/04

To
The Sr.DEE(OP) - KUR, SBP and WAT

Sub.: Outstation Relieving Allowance.

In course of vigilance check on mileage statements of LPs/ALPs of KUR division, it is detected LPs/ALPs of mail/ express /goods trains are returning to their HQ from Outstation by performing light duties after availing more than 16 hrs rest at out station for which Outstation Relieving Allowance @ 70Km for every 24 hours or part thereof is being claimed.

In this context, it is advised to issue instructions to all concerned to ensure the return of LPs/ALPs to their HQ by 1st available train while performing light duties from outstations so that outstation relieving allowances can be minimized. However, in case of exigencies more than 16 hours rest at outstation can be allowed by the competent authority and the reasons shall be properly recorded.

This issues with the approval of SDGM.
