(ii) Board's letter no. 2018/TC(FM)/18/11 dated 14.06.2018 (FMC 18/2018) and 99/TC(FM)/26/1/Pt.II dated 22.08.2016 (FMC 11/2016)

Railway Board is in receipt of South Eastern Railway's letter under ref-(i) above, vide which the Railway has requested for issue clarification that whether imposition of penalty for faulty weighbridge in a Private siding is justified in case an extra weighbridge is provided by siding owner on similar line for weighment of outward traffic.

2. The matter has been deliberated upon in consultation with Rates, Traffic Transportation and Finance(Comml.) directorates of Railway Board. In this regard, it is clarified that in case of faulty weighbridge in a private siding/PFT/GCT, imposition of penalty should be exempted if Siding/PFT/GCT owner has already provided an **extra weighbridge on similar lines** and the rakes are duly weighed before departure, provided no extra shunting / repositioning of rakes is involved.

This issues in consultation with Rates, Traffic Transportation and Finance(Comml.) Directorates of Ministry of Rail ways.

Zonal Railways may take action accordingly.
