Vigilance Advisory No. - 2022/28

East Coast Railway

Sub: Noting of Immovable/Movable properties of Gr.C staff

During various vigilance preventive checks & subsequent clarifications from various staff, it transpired that most of the staff could not get their immovable/movable properties noted by their Competent Authority due to ignorance of Service Conduct Rules i.e. Rule 18(2) & 18(3) of RSCR, 1966 or in some cases though the staff submitted the required documents to concerned bill dealers, they have not processed their cases in time. This results in unnecessary harassment to staff & landing in Vigilance cases.

In view of the above, it is requested to issue necessary advisory to the staff regarding the rule position for noting of Immovable/Movable properties and also instruct the dealing staff to process such cases immediately on receipt from the staff.
